

ASSET BASED COMMUNICATION

Saturday, April 11th from 9 am to 12 pm

This **virtual** course is designed for educators to engage in ways to see and communicate with our students differently. It focuses on shifting our mindset from a deficit frame into an asset based frame. The following are the key learning objectives:

- Identify the ways in which schooling has historically viewed students from a deficit perspective
- Explore the power of language and the impact of cultural frames
- Learn redirection strategies that are culturally responsive and restorative
- Differentiate between disciplinary exclusion and inclusive methods
