- June 15-19 8:30AM - 11AM
- June 15-19 12PM - 2:30PM

Safety Town is a safety education program for children entering Kindergarten in the Fall of 2026. Any child who lives in the City of Stow and will be five on or before August 25th, 2026 may attend. The curriculum is varied and includes fire safety, safety belts, pedestrian safety, dog bite safety, bike safety, bus safety, stranger awareness, and playground safety. Safety Town employs two full-time certified Stow-Munroe Falls School District teachers to plan and lead the daily educational process. Education Specialists from the Stow Fire and Police Departments and other outside safety experts will join us throughout the week.

Once your child is registered, you will receive additional information in an email by May 22nd. If you have NOT received an email by then, please check your spam folder. An optional information session for parents to meet the teachers and discuss what their child will learn in Safety Town will be held on Thursday, June 4th from 6-7 PM at the Stow Safety Building in the Community Room.
