General Rules for Safety City (Safety Town):

1. **Follow Instructions:**
   - Always listen to and follow the instructions given by the instructors and volunteers.

2. Respect Others:
   - Treat your peers, instructors, and volunteers with respect.
   - Avoid pushing, shoving, or any form of physical aggression.

3. **Stay with the Group:**
   - Remain with your assigned group and instructor at all times.
   - Do not wander off or leave the designated areas without permission.

4. **Wear Safety Gear:**
   - Use any provided safety gear, such as helmets for bicycle safety training.
   - Wear appropriate clothing and footwear.

5. Obey Traffic Signals and Signs:
   - When participating in traffic safety activities, follow all simulated traffic signals, signs, and road markings.
   - Practice crossing the street safely using crosswalks and looking both ways.

6. **Be Attentive and Participate:**
   - Pay attention during lessons and activities.
   - Actively participate and ask questions if you do not understand something.

7. **Use Equipment Properly**:
   - Handle all equipment and materials provided during the program with care.
   - Report any damaged or malfunctioning equipment to an instructor immediately.

8. **Emergency Procedures:**
   - Know the emergency procedures for fire drills, severe weather, or other emergencies.
   - Follow the instructors' directions quickly and calmly during an emergency.

9. **Health and Hygiene:**
   - Maintain good personal hygiene and wash hands regularly.
   - Inform an instructor if you feel unwell or need medical attention.

10. **Have Fun and Learn:**
   - Enjoy the activities and learn as much as you can about staying safe in different situations.

Specific Areas of Focus in Safety City:

1. **Traffic Safety:**
   - Understanding traffic lights and pedestrian signals.
   - Safe bicycle riding practices, including helmet use.
   - Importance of seat belts and car seats in vehicles.

2. **Fire Safety:**
   - Recognizing fire hazards in the home.
   - Learning how to stop, drop, and roll.
   - Understanding the role of firefighters and fire drills.

3. **Personal Safety:**
   - Stranger danger awareness.
   - Safe practices at home and in public places.
   - Recognizing and reporting unsafe situations.

4. **Water Safety:**
   - Basic rules for swimming and water play.
   - Importance of adult supervision near water.
   - Wearing life jackets when on boats or near deep water.
