FROM THE DESK OF

MATT SHANAFELT

SUPERINTENDENT

Hello Flushing Raider Families,

With our second semester successfully underway, I wanted to share a couple of updates with you. First of all, we continue to make significant progress with many of our bond projects. As the snow melts away, you will start to see more and more progress on the high school athletic complex. These comprehensive updates will continue over the next 18 months, and we are still on target to be able to open the stadium for the start of the 2027-2028 school year. Work is ongoing in all of our buildings addressing the entryways and door systems, walk-in coolers and generators, as well as air conditioning in the gymnasiums/cafeterias. We are proud to share that none of the current work should impact academic or athletic scheduling. These will be tremendous upgrades to our facilities, positively impacting all of our students. Thanks again for your overwhelming support of these projects.

While I am hopeful that we have seen the last of our snow days, I am extremely grateful for your understanding on the days we feel we need to cancel school. We work hard to use all of the information available to us to decide whether we feel it is safe for our buses and student drivers to be out on the roads. When making these decisions, we are in tune with the latest forecast, get input from the Genesee County Road Commission, as well as city and township officials, and drive the roads ourselves between 4:15 and 5:30 a.m. hoping to make the best decision for our students and families by that time. While we are "allowed" up to 6 canceled days due to "act of nature," we have the ability to request a waiver for 3 additional days from the state as necessary. No matter the number of inclement weather days that we've already had (thankfully only 4 as of 2/20/2026), I can assure you that the number of days that we have had off does not play a role in the early morning decision. It is our main focus to make sure students arrive at school safely. While students always love a "snow day", I understand that it sometimes creates a bit of a hardship and/or adjustment for many of our families. Thanks again for your

understanding on these days.

The last of what I wanted to share pertains to communication. We do our best to use multiple communication modes to relay important information home as efficiently and as effectively as possible. Using our district and building websites, our Flushing Raider App for smartphones (please download it if you have not already),

Facebook pages, Instagram, X (Twitter) feeds, School Messenger calls, text messages, e-mails home, ParentVue, Remind, Bloomz, Google Classroom notifications, digital newsletters, weekly, monthly, and/or bi-monthly newsletters from our principals and teachers, Raider Nation News etc., we aim to keep our families as informed as they want to be. If you are not sure how to get access to ParentVue, or do not know how to find the information you are looking for, please reach out to your building principal. If you want to be part of your child's Google Classroom, using a guardian account, please reach out to your child's teacher. We stress constant communication, early awareness, and intervention when there are academic, behavioral, or social emotional concerns, and positive and regular communication to and from you is critical. As a parent, if you ever feel that there is a communication gap, that your child only shares at the dinner table that they had a "good" day, but little else, please reach out to your child's teacher, building support staff or the principal, and they will help you navigate the tools that will support your active engagement and involvement. While nothing will ever replace a conversation with your child's teacher, there is an incredible amount of information communicated through many channels that will help you as a parent in helping your child succeed. Our students and staff benefit greatly from your active involvement, support, and positive communication. This is all part of our ongoing commitment to being positive partners with our parents and caregivers in support of all of our students. Thank you again for that partnership. Wishing all of our families a wonderful 3rd marking period and an early start to spring! Go Raiders!

FROM THE DESK OF

MICHELLE BARRETT

EXECUTIVE DIRECTOR OF CURRICULUM & INSTRUCTION

Spring is right around the corner, which means state testing is as well. Our 3rd-11th grade students will soon be preparing to take the M-STEP, PSAT, SAT and WIN tests to measure how well they are mastering state standards.

Student attendance and participation on testing days is crucial, as every district across the state is held to the standard that 95% of our students **must** take the assessment each year.

While state assessments gain a lot of attention, another important assessment that helps measure growth and guide our instruction is the iReady assessment that our K-8th grade

students take three times per year. Data from this assessment was sent home in October, mid-year growth data just came home, and end of the year data will be coming home in March.

iReady replaced the NWEA assessment that our students took in previous years. New with the iReady assessment is the MyPath lesson suite that helps close gaps or challenge students, depending on their needs. We have noticed a correlation of increased growth scores of students that consistently participated and passed their MyPath lessons.

Our students work hard to perform to the best of their ability. Thank you in advance for all of the support you show during these testing windows. Whether it be supporting your children while working through the practice tests, reminding your children to go to bed early the night before, providing a good breakfast the morning of the test, or encouraging them to take their time, we know you're a part of this process, as it takes a village!

Students in grades 3-10 will be administered:

- M-STEP English language arts (ELA) and mathematics (grades 3-7)
- PSAT 8/9 ELA and math (grade 8)
- M-STEP science and social studies (grades 5 and 8)
- PSAT 8/9 ELA and math (grade 9)
- PSAT 10 ELA and math (grade 10)

Grade 11 students will take the Michigan Merit Examination (MME) which has three required components:

- SAT with Essay college entrance exam- ELA and math assessment
- WIN Learning Work Readiness Assessment (replacement for the ACT WorkKeys)
- M-STEP science and social studies

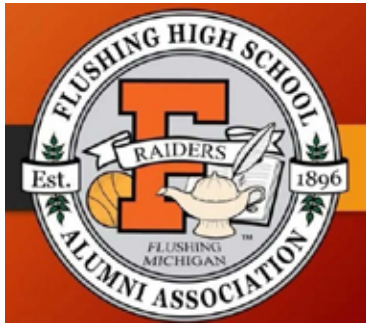

Buildings will share more detailed information, but you can plan on the following testing windows:

M-Step: April 6th-May 15th for grades 3, 4, 5, 6, 7, 8 and 11

PSAT/SAT/WIN:

- April 8th:
 - SAT: 11th Grade
 - PSAT: 8th Grade
- No School for 7th, 9th, 10th and 12th grade students
- April 9th:
 - PSAT: 9th & 10th Grade
 - WIN: 11th Grade
- Virtual PM Half Day for 12th grade students

THE FLUSHING HIGH SCHOOL ALUMNI ASSOCIATION LUNCHEON will take place on JUNE 20, 2026

All FHS Alumni who graduated in 1976 or before, are invited to the 127th Annual Luncheon. The luncheon provides an opportunity for everyone to reunite and to award scholarships to selected 2026 Flushing graduates. Your donations help fund these scholarships and as a part of your donation, you may designate the name of an alumni you would like to honor.

DENTAL OUTREACH

Our district nurses coordinated with Michigan Dental Outreach, a mobile dentist program, to provide services for elementary students in need of dental care. Students who participated received oral hygiene instruction, cleaning, x-rays, fluoride treatments, and sealants as needed.

FHS DRIVER EDUCATION

The FHS 2026 Summer Driver Education pricing will be \$345 per student this year and registration is now open for Flushing students on a first come, first serve basis for the first 120 students. Registration will close when the classes fill and then a waitlist will begin after that. Registration will close on Friday, April 10th after Spring Break. The \$345 cost covers **BOTH** Segment 1 and Segment 2. Students must be 14 years and 8 months of age by the first day of class (birthday on or before Oct. 4, 2011). All information and registration forms can be found on the FHS website under the Driver Education tab. Each of these forms must be completed and turned in (together) to the high school guidance office to secure a spot. Payments can be made by check, cash, or Flushing e-funds.

Please email Steve Powers (steve.powers@flushingschools.org) or call Mrs. Horton in the guidance office at 810-591-3759 with any questions.

EARLY CHILDHOOD CENTER

KINDERGARTEN AND DK STUDENTS

ECC EXCITEMENT

These last few months have been exciting here at the Early Childhood Center. Students have enjoyed playing in the snow, learning about dental health with Dr. Wills, and enjoying BIG foam blocks, sponsored by the PTO.

BIG ORANGE TICKET CONTEST

Students showed off their positive behavior skills with some healthy competition between classrooms. The Big Orange Ticket Contest for students showed how to work as a team by being safe, respectful, and responsible. Students were recognized by staff for their outstanding behavior. Mrs. Burley's class won board games to take home for earning the most Big Orange Tickets.

PRESCHOOL NEWS

Students in the preschool program are learning new skills each day. They recently did mid-year assessments and they have accomplished so much. Preschoolers enjoy circle time with friends, building relationships and social skills, being creative and imaginative, and progressing in their knowledge of letters and numbers.

MORE INFORMATION TO COME!

CELEBRATING 100 DAYS

Students at the ECC celebrated the 100th and 101st day of school in style. Many dressed up as if they were 100 years old and Cruella De Vil was a guest reader. Students also participated in making 100th day fruit loop necklaces, doing 100 exercises, bringing in 100 items from home, stacking 100 cups, along with many other fun activities. A goal for kindergarten is to count orally to 100 by the end of the school year!

SUMMER LATCHKEY

Registration for the 2026 Summer Latchkey Program will begin immediately following spring break. Registration forms will be posted on the district website and available at the Latchkey sign-in desk located at the Early Childhood Center. Summer Latchkey is a drop-in program; no schedules are required. Hours are 7:00am – 5:30pm daily. Weekly optional field trips will be offered, along with a variety of on-site activities to keep your children busy and engaged with friends over the summer. Summer Latchkey will begin on Monday, June 15th. Pre-registration is required. For more information, contact - Kathy.mcmahan@flushingschools.org.

ELEMENTARY NEWS

CENTRAL ELEMENTARY

PTO BUTTER BRAIDS FUNDRAISER WAS A SWEET SUCCESS

Central Elementary's PTO Butter Braids fundraiser was a huge success, thanks to the incredible support from students, families, and the community. This fundraiser not only helped raise important funds for school improvements, but it also brought some exciting rewards for students.

Several classes earned special celebrations for their outstanding efforts. Mrs. Emmert's and Mrs. Rowland's classes earned a fun Glow Pizza Party, while the following classes earned a delicious Sundae Bar celebration: Mrs. Kowalczyk, Mrs. Duley, Mrs. Kohn, Miss Salomon, Mrs. Rowland, Mrs.

Botsford, Mrs. Shields, Mrs. Lacy, Mrs. VanBuskirk, Miss Studer, and Mrs. Emmert. In addition, students in Lower Elementary Grades 1-3 worked together to earn an exciting lock-in event.

The funds raised through the Butter Braids fundraiser will go directly toward improving Central's outdoor spaces.

Specifically, the PTO will use the money to replace picnic tables on the playground and add new metal trash cans, helping to create a cleaner, safer, and more welcoming environment for students.

Thank you to the PTO, students, staff, and families for making this fundraiser such a success. Your support truly makes a difference for the school community!

FLINT FIREBIRDS GAME

Students had an opportunity to perform the national anthem at the Flint Firebirds' game!

ELMS ELEMENTARY

KANGAROO KIDS

The Elms Kangaroo Kids have kicked off their performance season! They will be visiting several elementary schools around Michigan including Hemlock, St. Johns, and Laingsburg. During their shows, they will perform jump rope tricks and teach about being heart healthy. The Kangaroo Kids are in its 40th year being sponsored by the American Heart Association!

FIELD TRIP TO LANSING

Fourth grade students took a field trip to Lansing, where they were able to tour the Capitol Building and learned about how our state government works. They also were able to see where the Senate and House of Representatives meet.

BUBBLE ASSEMBLY

Thank you to Elms PTA for the Bubble Assembly! Students were entertained with different styles and sizes of bubbles. This was earned through fundraising efforts, and kept students and staff engaged.

ELEMENTARY NEWS

SEYMOUR ELEMENTARY

LOCK-IN

Seymour's Lock-in had a great turnout by students! Volunteers planned a lot of activities including bounce houses, temporary tattoos, karaoke, and more.

FINDING NEMO

Seymour students did a wonderful job in their performance in Disney's Finding Nemo KIDS! There was so much laughter and joy throughout the show.

SPRINGVIEW ELEMENTARY

OFFICER CLAXTON DAY

In celebration of National Police Officer Day, Springview Elementary proudly made January 9th Officer Claxton Day! Students and staff showed their appreciation for all that Officer Claxton does to keep our school safe and to support students, staff, and families by wearing blue or Officer Claxton's Crew

T-shirts. Every classroom created cards that were presented to Officer Claxton during our Raider Assembly, where he was also honored with a gift featuring his favorite things and an award for "Best School Resource Officer." Officer Claxton continues to go above and beyond in all that he does to support our school, and we are incredibly fortunate to have him as part of the Springview family. Thank you, Officer Claxton!

PANCAKES AND PAJAMAS FAMILY EVENT

Springview held its first-ever Pancakes and Pajamas Night, and it was a huge success! Families enjoyed a delicious pancake dinner while shopping for holiday items from local vendors. The evening also featured a silent auction, directed drawings, and festive holiday characters throughout the building—including Santa Claus himself. A huge thank-you to the PTO for organizing such a special night. We look forward to continuing this event in the future!

SCHOOL THERAPY DOGS

Elmer – Elms

Finnie – Springview

Birdie – Early Childhood Center

We're excited to share that our therapy dogs are making a positive impact on our students!

These wonderful new additions help to promote calmness, emotional regulation, confidence, and overall well-being.

Our students have done an amazing job welcoming them into our buildings!

We can't wait to introduce even more therapy dogs at our other buildings soon.

MIDDLE SCHOOL NEWS

SOCK DONATION DRIVE

Students who participated in the sock donation drive had the opportunity to visit Carriage Town Mission and Flint's East Side Mission. They delivered the donated socks and completed a small service project.

CHALLENGE DAY

The middle school held its second Challenge Day of the year. Students qualify to attend this assembly if they have not had any major discipline issues the prior marking period. Students played a game of sideline football where the 8th graders were victorious. Students with no discipline in the prior marking period also have a chance to win a big prize. Students won Bluetooth speakers, led lights, air pods, an air hockey table, and a TV!
