

Hello, 8th grade parents and guardians!

First, we wanted to say thank you to everyone who participated in the Krispy Kreme fundraiser. Because of that fundraiser, we were able to raise enough money to pay for the venue that the students picked when they were polled in December! That's incredible, and we truly appreciate any and all efforts that are put into this as it all goes directly to the students.

Second, we have a few dines and donates running in the month of March, so please be on the lookout for flyers, dates and times for those if interested. Please feel free to follow our group on Facebook "Lehighon Class of 2030 8th Grade Celebration." We will have all the information posted there. Also, just a reminder, any funds left over from this celebration or from future fundraisers from this committee will go directly to the Class of 2030 for their senior year.

Lastly, I know we're winding down, and we're all fundraised out however; we still need some monetary support for this event, so we decided to try something new. It's called Country Road Cupboard. They are a gourmet mix company that sells dip mixes and wine slush mixes as well. 50% of the money raised will go back to our students. A single pack is \$6, or a 4-pack Combo #1-#10 is available for \$20. I have included the information and order forms in this packet. We will be accepting cash or checks made payable to LASD Class of 2030. The sale begins on 2/25 and ends on 3/11. Dip mixes will be in, in time for Easter or save them for those Memorial Day Picnics! Mrs. Cunfer in the front office will be collecting orders and payments for us. Fingers crossed this will be our last big fundraiser, and we can provide the students with what they truly deserve for all their hard work at Lehighon Area Middle School.

Thank you for your time,

Class of 2030 Parents Committee
