

PRAIRIE ATHLETIC ELIGIBILITY AGREEMENT

Dear Prairie Families,

At Prairie Middle School, we believe that participation in athletics is an important part of a student's educational experience. Being a student athlete is a privilege that comes with responsibilities. It is because of this that we want to start helping/teaching our athletes to be successful in the classroom with a clear purpose and understanding of what it means to be a student athlete. We also want to start preparing them for what they can expect to see at the high school level.

Student athletes are going to be asked to meet certain academic and behavioral eligibility requirements in order to participate in the sports we offer at Prairie. Students will be given grade checks that are to be completed weekly. Coaches will hand out the grade checks and it will be the student's responsibility to get them signed by each of their teachers and the Dean's office. If a student has 2 or more F's, 10 or more tardies/UP's for the week or poor behavior in class, it will result in reduced/missed playing time in the games that week.

We encourage all parents to support their student-athletes by helping them stay organized, monitor their grades, and communicate with teachers when academic challenges arise. Together, we can help our students learn valuable lessons in responsibility, teamwork, and perseverance.

If you could please sign below indicating that you have read and understand the eligibility requirements we would appreciate it. If you have any questions or concerns, please don't hesitate to reach out.

Thank you for your partnership.
