Student Transportation Permission Form

This form must be completed each school year, with the attached list of approved activities, when a parent/guardian wishes to transport their child, or have their child drive themselves, to or from practices, games, events, etc.

Students are required to travel on buses, vans, or other transportation provided by the District to all school-sponsored activities, practices, and/or events. However, because of compelling needs, parents may need to provide their own transportation.
