Notice of Public Hearing

Trustee Boundaries

A public hearing will be held at the Lake Tahoe Unified School District Boardroom on November 18, 2021 at 6:00 PM regarding the 2020 Census to review the information on the population of trustee areas within the LTUSD as required by Education Code 5019.5.

The law requires the Board to review their trustee area boundaries after the 2020 Census so they are following the one person/one vote concept. Maps have been prepared to show how the boundaries can be balanced. The public hearing is an opportunity for input from the public on the process and the maps.

Presentation slides including Census data, proposed maps, and boundary analysis can be found at www.agendaonline.net under the agenda heading, "Board Governance" within the October 28, 2021 Board of Education meeting agenda and upcoming November 18, 2021 Board of Education meeting agenda.
