

Triad Local School District

Quarterly Learning Report

Winter 2026

Dear Triad Families and Community Members,

As we reflect on the winter months, I am proud of the dedication and resilience demonstrated across our district. This season has been filled with meaningful academic progress, enriching extracurricular activities, and strong partnerships that continue to support student success. Our classrooms remain vibrant spaces where curiosity is encouraged, growth is celebrated, and every student is challenged to achieve their personal best.

Looking ahead, we are actively preparing for upcoming state assessments. You can see the state testing schedule on the last page of this report. Our teachers are aligning instruction to state standards, providing targeted interventions, and using formative assessments to ensure students feel confident and prepared. In addition, schools are offering review sessions, practice opportunities, and family resources designed to reduce anxiety and promote readiness. While these assessments are important measures of progress, we remain committed to educating the whole child and maintaining balanced, engaging learning environments.

Winter also brings opportunities to strengthen our sense of community. I encourage families to stay connected with teachers and school leaders as we move into the spring semester together.

Thank you for your continued support of our students and staff.

Sincerely,

Vickie Maruniak

Superintendent, Triad Local Schools

TRIAD ELEMENTARY SCHOOL

Our first round of state testing in 3rd grade went on without issue during the middle of October. In order to celebrate our students for giving their Cardinal Best Effort, our 3rd grade team developed a Minute to Win It reward challenge. This also allowed the building to discuss with students the importance of taking their time in order to show what they know.

The Triad PTA provided a fun learning lesson with a COSI assembly on November 7th.

Patrick Johnson

Elementary Principal

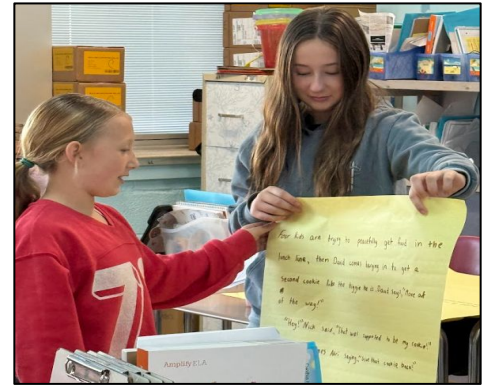

johnsonp@triadk12.org

TRIAD MIDDLE SCHOOL

Mrs. Chatwood's Everyday Life Skills Class practiced following written directions with a simple recipe to make Hot Chocolate. Students had to properly measure out the chocolate powder and then pour the correct amount of hot water into a cup. They were then able to enjoy their assignment!!

In Mrs. Winkle's 6th Grade ELA class, students added narration and dialogue to a picture prompt. They then practiced their public speaking skills by sharing their writing with the class.

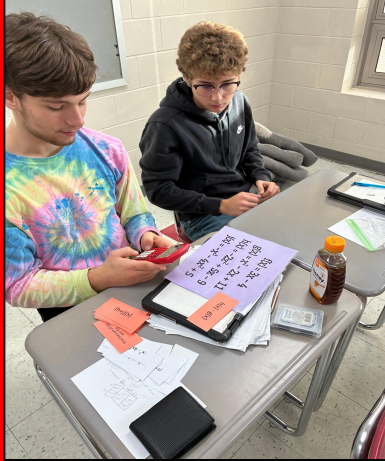

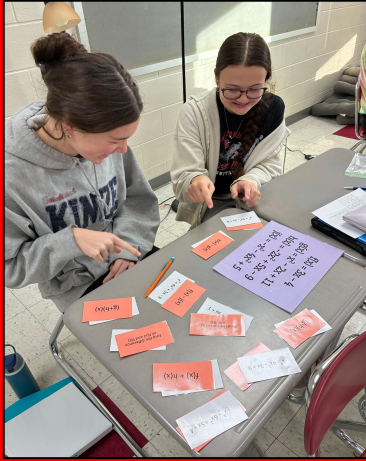

In Miss Adams' 8th grade Science class, students learned how earthquakes give off seismic waves. Students tested how "p" and "q" waves move and determined which ones move faster and are destructive.

Vinnie Spirko

Middle School Principal
sprikov@triadk12.org

TRIAD HIGH SCHOOL

This quarter, staff implemented the “12 Days of Christmas” instructional initiative, where teachers practiced a variety of test preparation strategies tied to daily themes and dress-up activities. By piloting these strategies in December, teachers were able to fine-tune instructional practices in preparation for state testing and spring finals. Strategies included gamification, vocabulary development, and effective use of digital testing tools to increase student engagement and readiness.

Maggie Parcels
High School Principal
parcelsm@triadk12.org

ACADEMIC PATHWAYS

This quarter, all 7th grade students are getting the opportunity to travel to the high school on a weekly rotation to visit the classrooms of each of our Career Tech Pathways. This allows them to consider their future plans!

In December, 20 students traveled to compete in the DECA district competition. For most, it was their first ever competition.

We had 10 State Qualifiers: The top 3 from each event move on to states. Our district is extremely competitive with much larger schools from Delaware, Franklin, Licking and Union Counties.

Individual State Qualifiers:

Zayden Williams - Business Services Marketing
Ty West - Professional Selling
Alex May - Quick Serve Restaurant Management
Silas Newland - Restaurant & Food Services Management (1st Place at Districts)

Team State Qualifiers:

Haven Cantrell + Ashton Spriggs - Entrepreneurship
Aubrey Johnson + Brooklynn Melidor - Buying & Merchandising (1st Place at Districts)
Avery Eaton + Reagyn Welty - Business Law & Ethics
