Discussion about starting a digital suggestion box. The committee agrees that we should have a suggestion box and discuss suggestions at future CEIC meetings.

Hall passes were discussed. Generic hall passes? Passly (System used at Finley)? Digital pass system? Most members agree that we need some sort of hall pass system.

Priority 1 was discussed

Remind students about online tutoring opportunities. Use survey checks to see if they are accessing tutoring. We will look into tutoring opportunities and encourage DC teachers to reach out.

Discussed safety concerns regarding the playground equipment. Do we need to keep them off the equipment?
