

Placement for 7th Grade Math

During the spring of the 6th grade year, Randolph Middle School teachers make determinations of 7th grade placement based on several factors: most recent Skills Assessment score, 6th Grade Assessments average, Winter MAP RIT Score, NJSLA, and assignment completion. Students will receive points based on criteria that will determine where teachers recommend students to be placed for 7th grade math. Students have the ability to select a level lower than what a teacher recommends. Students and parents also have the ability to submit a waiver to request Pre-Algebra 7 Honors. **Students and parents will not have the option to waive into Algebra I Honors in 7th grade.**

Skills Assessments	6 th Grade Assessments	Winter MAP RIT Score	NJSLA	Assignment Completion
5 Score range 20-30	9 Score range ≥95%	7 ≥ 245	4 ≥775	4 1 or no late or missed assignments
3 Score range 10-19	7 Score range 90 -94%	5 ≥ 230	3 750-774	3 2 late/missing assignments for Marking Period 2
1 Score range 0-9	5 Score range 80-89%	3 ≥ 220	2 725-749	2 3 late/missing assignments for Marking Period 2
	3 Score range 70-79%	1 ≤219	1 ≤724	1 More than 3 assignments are missing or late for Marking Period 2
	1 Score range < 70%			

****Students who receive above a 245 overall MAP score and a score greater than 235 on their Operations and Algebraic Thinking MAP receive 4 points.****

Math Placement	
Algebra 7 Honors	≥31
Pre-Algebra 7 Honors	23-30
Pre-Algebra 7	≤22
