

How to Register & Pay for Summer Learning

Log into your Campus Parent App <https://infinitecampus.naperville203.org/campus/portal/parents/naperville.jsp>

Select School Store from the left-hand menu.

The School Store is like entering a Mall.

To enter the Mall, you will need to click on the Shop button.

Below is an example of the Store Fronts. The Store Fronts are like the shops within a Mall.

You will see all Store Fronts that are available to all students but you may not see all the Products within the Store Front.

How to Register & Pay for Summer Learning

There are two ways to search for courses you want to register for your student.

The traditional way is to click through the store fronts and selecting the “**Products**” button as shown in the student example on the next page.

The second way is to do a quick search by the course number listed on the Registration packets. Once you see all the store fronts you can click on the “**All Products**” button located at the bottom of the screen. This will open a “**Product Search**” bar:

Find the Course Number in the Registration packets

*English 1		C750SD	6/22-7/10
This full-year, freshman course is designed to begin the reading, writing, speaking, listening and viewing strategies for the Common Core curriculum. This course is designed for students to meet the 9 th grade Common Core State Standards. *This course is designed for who have not met the standards during the regular school year. This class is not intended for students that are currently 8th Level: 9			
7:30-12:20 pm	C1201C	6/2-6/18	2 Semesters
	C1201D	6/22-7/10	Remediation 1.0 Credit

Type in the alphanumeric course number into the search bar and click the “**Apply**” button. This will bring up the course. Click the “**View**” button and add to cart.

How to Register & Pay for Summer Learning

Example:

Child6 Sample is a junior high student. To see the courses that your Junior High student qualifies for, click on the “**Products**” button.

Below is an example of some of the course and bus offerings. The images will give some specific information about the course. The course number will appear at the top of the colored square – this will match the course number listed in the Registration packets.

- Blue - Session 1 Times
- Green - Session 2 Times
- Pink - Full Day

To Register for a course, click on the “**View**” button below the picture.

How to Register & Pay for Summer Learning

On the right side of your screen, a side panel will appear showing the course description. Please review any **highlighted information**. This course runs the full day, so this student should not be added to any other course.

The course description will also show how many students the course can allow. Once it reaches the max you will receive the following “out of stock” message.

OUT OF STOCK

Some courses like Music and Science Camp will include a link to an additional form that will need to be filled out. Please note that the form link will open a new window. After filling out the form you will need to return to complete the purchase of the course in your cart for your student to be added to the roster. **Registration will NOT be complete until you Submit Payment. Only filling out the form will NOT hold a spot for your student.**

Please complete the [Experience Music Form](#) before adding this course to your cart.

Select your student from the drop down.

Once you select the student the Total Price will appear.

Click the “**Add to Cart**” Button, the system will bring you back to this Store Front to make another course or bus selection.

Important: If you add a bus to the cart, please make sure to read the description to make sure your student qualifies for transportation.

If you select the bus and do not qualify, you will be removed from the roster by the Transportation department.

JJM41FD PLTW: Flight and Space

JJM41FD
PLTW: Flight and Space
Full Day
8:10AM - 11:25AM

COURSE DESCRIPTION
This course is considered a FULL DAY course as it runs both Session 1 and Session 2.
This course is designed for students who have completed: 6th or 7th
The exciting world of aerospace comes alive through the Project Lead the Way (PLTW) Flight and Space summer course. Students entering grades 7 and 8 explore airplanes, rockets, aerodynamics, and flying, living and working in space. They will use their knowledge to design, build, and test a working aircraft wing. Custom-built simulation software allows students to experience space travel and driving and navigating on the moon.
This class will accept a maximum of 24 students.

Registration Dates: 02/25/2026 - 05/12/2026
Activity Dates: 06/08/2026 - 07/02/2026

Recipient: (Required)
Child6 Sample

Price:
\$390.00

Quantity: (Required)

How to Register & Pay for Summer Learning

If you have multiple students in different grade levels and need to select courses for that student, click on the “**Categories**” button located at the bottom of the screen to bring you back to all the available Store Fronts.

Paying for your Students’ Summer Registration

Above the “**My Cart**” button you will see the total amount of courses in your cart and the total due. Below are two examples of what you may see. Either way you must check out for your student to be added to the roster.

Click the “**My Cart**” button to check out.

If your total is zero, you still need to click on the Submit button. Registration will not be complete until you Submit Payment. Leaving the course in the cart without submitting payment will **NOT** hold a spot for your student.

How to Register & Pay for Summer Learning

In the image below see that the payment method now appears.

Add an email address if you would like a receipt emailed to you.

Registration will not be complete until you Submit Payment. Leaving the course in the cart without submitting payment will **NOT** hold a spot for your student.

Click the “**Submit Payment**” button. A pop-up window will appear asking for confirmation that you want to submit the payment. Click the “**YES**” button if you would like to continue.

The screenshot shows a payment interface with a 'Payment Method (Required)' section displaying a VISA 3344 card. Below this is an 'Add Payment Method' button. To the right, a summary shows: Subtotal: \$420.00, Service Fee: \$0.00, and Total: \$420.00. Below the payment method is an 'Email Address for Receipt' field with the placeholder 'Parent2@no.Mail.com'. At the bottom left is a blue 'Submit Payment' button. A 'Confirm Payment' pop-up window is overlaid on the right, asking 'Do you want to submit this payment of \$420.00?' with 'Yes' and 'No' buttons. The 'Submit Payment' button and the 'Yes' button in the pop-up are highlighted with pink boxes.

The screenshot shows a receipt page titled 'Receipt'. It includes a 'Thank you for your payment' message, the date '02/25/2026', and a reference number. Below this is a 'STORE ITEMS' section listing 'JJM41FD PLTW: Flight and Space' and '200 - JH Bus - ZBPJS1 - JH'. At the bottom, it shows 'Total: \$420.00', 'Payment Method: VISA 3344', and 'Email Address for Receipt: Parent2@no.Mail.com'. A blue 'Print' button is highlighted with a pink box, and a pink arrow points to it from the right.

A receipt page will appear where you will be able to click on the “**Print**” button to print a hard copy of your receipt.

You can also see your payment history by clicking on the “**My Accounts**” button.

The screenshot shows a summary of the cart with '0 Items in Cart' and '\$0.00'. Below this are two buttons: 'My Cart' with a shopping cart icon and 'My Accounts' with a wallet icon. The 'My Accounts' button is highlighted with a pink box.

How to Register & Pay for Summer Learning

Viewing the Student's Completed Registration

If you have multiple students attending summer learning – Select one of your students from the drop down located on the top right of the screen.

Then click on **Activity Registration** from the left hand menu.

Finally, click on “**Upcoming**” button under Timeframe heading.

The screenshot shows the Infinite Campus web interface. On the left is a dark sidebar menu with options: Home, Calendar, Fees, School Store, Activity Registration (highlighted with a red box and a red arrow), Message Center, and More. The main content area is titled 'Activity Registration' and features a 'Timeframe' section with buttons for 'Previous', 'Current', 'Upcoming' (highlighted with a red box and a red arrow), and 'All'. Below this is a table with columns: REGISTERED ACTIVITY INFORMATION, FORMS, DOCUMENTS, and OPTION SELECTED. The table contains two rows of activity data. On the right side of the page, there is a user profile dropdown menu showing 'Child6 Sample' with a red arrow pointing to it, and a shopping cart section showing '0 Items in Cart \$0.00' with buttons for 'My Cart' and 'My Accounts'.

REGISTERED ACTIVITY INFORMATION	FORMS	DOCUMENTS	OPTION SELECTED
200 – JH Bus Activity Dates: 06/08/2026 - 07/02/2026			ZBPJS1 – JH Bus
