General information

Summer U Quick Info

Dates:

June 10 - July 2

Location:

South Middle School

Cost:

\$160/session

Registration Dates:

March 2 - April 24

Register Online:

sd25.org/SummerU

Class Groups:

Primary (K-2)

Intermediate (3-5)

Middle School (6-7)

Class Groups:

Listed grade level refers to 2025/26 school year.

Two sessions:

Morning 1 & 2

ARLINGTON HEIGHTS SD25 SUMMER U

Morning 1

9 am - 10:25 am

Morning 2

10:30 am - 11:55 am

IMPORTANT REGISTRATION INFORMATION

1. Classes are open for 15 students per class. Adding your child to a waitlist does not mean you will not have a spot in a class. Waitlists DO MOVE!

2. Waitlists will open throughout the registration period and through the middle of May. We try to hire more teachers based on the number of students on the waitlist for the following classes:

- Primary Literacy Review
- Intermediate Literacy Review
- Middle School Literacy Review
- Primary Math Review
- Intermediate Math Review
- Middle School Math Review
- LitCamp - Primary
- LitCamp - Intermediate
- Kindergarten Review
- Skills for Success in Middle School
- Bilingual/ML Classes
- Keyboarding and Basic Technology (grades 3-5 & 6-7)

REVIEW CLASS

All classes that will have new sections open based on waitlists are marked with the yellow Review Class sun pictured above. Any other classes than those listed above will only have 1 section of 15 students.

3. ONLY CHOOSE 1 CLASS! If you are registered in a class and select a waitlist, you may be removed from the first registered class if a spot opens in the waitlisted class. Please only select the class you want to take.

4. In order to finalize registration for a waitlist, you MUST CHOOSE 'z - I'm on a waitlist' as a class for that session.

You will need your D25 Student ID if you are a D25 student.

Non D25 students within D25 boundaries will be required to fill out more information as part of registration.

WHOLE MORNING (9 am - 11:55 am)

LitCamp Grades K-2

 REVIEW
CLASS

\$320 Tuition

LitCamp prevents the summer slide by providing a joyous, fun, and interactive framework for literacy support. District 25 is offering Lit Camp to students going into first through sixth grades. This literacy program combines innovative, research-based reading and writing lessons with an engaging and interactive summer camp approach. LitCamp is designed to bring a sense of joy, community, and accomplishment to students.

Primary Multilingual Learner Class Grades K-2

 REVIEW
CLASS

Free Tuition

(for students currently enrolled in the D25 ML Program)

Students will engage in reading, writing, listening, and speaking activities to build their confidence and comprehension of English language academic skills. Through hands-on activities, poetry, and thematic literature, students will acquire literacy skills that prepare them for the next school year. We will encourage students to learn more about their cultures and share knowledge about their home languages while practicing English literacy at school.

MORNING 1 (9 am - 10:25 am)

All Star Sports Grades K-2 (**Morning 1 only**)

\$160 Tuition

All Star Sports is an active, fun summer class focused on building basic sports skills and teamwork. Students will practice fundamental movements such as throwing, catching, kicking and dribbling through age-appropriate drills and simple game play. Each session, students will be introduced to a variety of sports using modified rules and equipment to ensure success for all learners. The class emphasizes sportsmanship, cooperation, and confidence while encouraging healthy habits.

Together Today 2 Transform Tomorrow

Morning 1 Continued *Grade levels refer to 2025-26 school year*

Kindergarten Review

Grade K (also offered in Morning 2)

 REVIEW
CLASS

\$160 Tuition

This class provides an opportunity to students entering first grade to review and enhance literacy and math skills taught in Kindergarten. Stories, songs, games, and crafts will be used to reinforce the pre-reading and early math skills that predict success in first grade.

Primary Literacy Review

Grades 1-2 (also offered in Morning 2)

 REVIEW
CLASS

\$160 Tuition

This class provides an opportunity for students who need an extra boost to reach grade-level expectations. This class is not intended for students whose skills are at or above grade level. Students will be assigned to classes that will provide the most appropriate level of instruction.

Primary Math Review

Grades 1-2 (also offered in Morning 2)

 REVIEW

Performing Arts Camp

Grades K-2 (also offered in Morning 2)

\$160 Tuition

Does your child love singing, acting, and moving to music? Growing confidence, collaboration, musicality, and drama skills and knowledge will be the focus of this fun and exciting camp. Activities include but are not limited to acting out fun scenes from children's books, learning and performing songs, moving to music, learning to create new scenes and make strong choices using improvisation games. Come join the fun!

Trip Around the World

Grades K-2 (also offered in Morning 2)

\$160 Tuition

Take an exciting trip around the world! Students will visit countries from each continent! We will map our adventures and learn about the culture at every stop. Students will read stories, play games, and do projects at each destination. Get your passports ready for a world-class adventure!

Together Today 2 Transform Tomorrow

*Morning 1 Continued *Grade levels refer to 2025-26 school year**

Sound Explorers

Grade K-2 (Morning 1 only)

\$160 Tuition

Students in Sound Explorers will be exploring with steady beats, doing things that are with louds, quiet, high, low, and fast and slow. They then will work together to create something to perform it at the end of Summer U.

Stories Come Alive with Art

Grades 1-2 (Morning 1 only)

\$160 Tuition

In this class we will combine literacy and art! Students will be read a different story aloud daily and learning how to visualize and create pictures in their mind. During the read aloud we will be exploring new vocabulary, sketching important details and using academic vocabulary. Each story will then be followed with an art project and we will explore many mediums such as paint, air foam, and collage. At the end of the session, your student will come home with a journal of all of our stories we read together. Their art will come home as it is ready.

Toying with Tech

Grades 1-2 (also offered in Morning 2)

\$160 Tuition

This class provides an opportunity to learn beginning coding in a fun way. Students will use ipads and a variety of technology to explore the creative side of coding. Toying with Tech combines creativity and imagination.

Unplugged Games

Grades K-2 (Morning 1 only)

\$160 Tuition

Unplugged Game Club is a fun, screen-free class where students play and learn through hands-on games. Students will explore board games, card games, logic puzzles, and cooperative challenges that build problem-solving, teamwork, and strategic thinking skills. We will learn how to follow rules, take turns, and practice good sportsmanship while having fun with friends. Students will also have opportunities to create and test their own simple games. This class encourages critical thinking, social skills, and creativity in a playful and engaging environment.

What's the Answer

Grades K-2 (Morning 1 only)

\$160 Tuition

Do you love challenging math problems? The kind of problems that really get you thinking, may have multiple answers AND might initially stump you? Then this is the math class for you! We will work through various concepts and problems designed to get you thinking and work your brain! We will also play a variety of games to support our learning. Can't wait to math with you this summer!

MORNING 2 (10:30 am - 11:55 am)

Inventors Club

Grade K-2 (**Morning 2 only**)

\$160 Tuition

In Inventors Club, students will become creative thinkers and problem solvers as they design and build their own inventions. Using everyday materials, students will explore simple engineering challenges, brainstorm ideas, create prototypes, and improve their designs. We will learn how to ask questions, test ideas, and learn from mistakes. Through hands-on projects and teamwork, students will build confidence, creativity, and perseverance while discovering how inventors turn ideas into reality.

REVIEW
CLASS

Keyboarding and Basic Technology

Grades 3-5 (also offered in Morning 2)

\$160 Tuition

Students will participate in formal keyboarding practice while also practicing basic formatting skills in Microsoft Word and other word-processing programs. Students will learn to access online accounts (such as Google Drive) and explore digital citizenship while engaging in the collaborative and creative process of designing electronic projects.

REVIEW
CLASS

Spanish 1

Grades 3-5 (also offered in Morning 2)

\$160 Tuition

Spanish 1 class would focus on introducing very basic Spanish vocabulary and phrases through playful activities. Some of the topics will be focused around greetings, colors, numbers, simple body parts, and familiar classroom objects, with an emphasis on listening comprehension, speaking simple phrases.

Skills for Success in Middle School

Grade 5 (also offered in Morning 2)

\$160 Tuition

This class will help current District 25 fifth graders build the skills and confidence needed to be successful in middle school. Middle school expectations will be reviewed and a plan will be developed to help students organize materials, assignments, and time. Students will learn effective strategies for reading a textbook, note-taking, and test-taking. This class offers opportunities to share ideas and develop positive relationships with peers. This is a great way to prepare for success at South or Thomas!

REVIEW
CLASS

Morning 1 Continued *Grade levels refer to 2025-26 school year*

Dance (Feelings through Rhythm)

Grades 3-5 (Morning 1 and Morning 2)

\$160 Tuition

Dance, Feel, Grow is a class made for movement and music designed to support emotional expression and well-being for elementary/middle school-aged children. Using music from R&B, country, hip hop, and reggaeton, children are encouraged to dance through their emotions in a fun, safe, and supportive environment. This class is not about perfect steps—it's about release, confidence, and connection. Dance and music provide a healthy way to unwind, reduce stress, and help young minds and bodies reset. Children will explore movement freely while building body awareness, emotional regulation, and self-expression. Come let your child move, feel, and grow through dance.

Intermediate Engineering Fun

Grades 3-5 (Morning 1 only)

\$160 Tuition

Creative thinkers wanted! Through focus on the engineering design process, students will design and engineer some summer fun! Students will brainstorm, sketch, build prototypes, give/receive peer feedback and make improvements to designs. We will work through various concepts and problems designed to get you thinking and work your brain! We will also play a variety of games to support our learning. Can't wait to math with you this summer!

Morning 1 Continued *Grade levels refer to 2025-26 school year*

Little Lines, Big Ideas

Grades 3-5 (Morning 1 and Morning 2)

\$160 Tuition

In this engaging summer art class, young artists will explore a variety of creative techniques using watercolor paints, pastels, and drawing materials. Students will experiment with color mixing, shading, texture, and line while learning how to express their ideas through art. Each session encourages creativity, imagination, and confidence as children create both guided projects and original artwork. All watercolor paints, pastels, and drawing supplies are provided. No prior art experience is necessary—just a willingness to create and have fun!

Tumbling

Grades 3-5 (Morning 1 only)

\$160 Tuition

Students will work on strength, flexibility, and coordination while learning and improving skills such as rolls, handstands, cartwheels, round-offs, and more (based on ability level). Each day includes guided instruction, skill stations, games, and safe progressions to help every student grow with confidence. Whether beginners or experienced tumblers, everyone will have fun building skills in a positive, encouraging environment.

Grade levels refer to 2025-26 school year

MORNING 2 (10:30 am - 11:55 am)

Baseball Insider

Grades 3-5 (**Morning 2 only**)

\$160 Tuition

Do you think you have what it takes to manage a baseball team? Have you ever wanted to build your own ballpark? Can you rally together the best fan base in the area? We will look at the ins and outs of baseball both as a coach and a general manager. You will draft your own fantasy baseball team, create a team name, and design the uniform, all while learning a little more about America's favorite pastime.

Creative Coding and Basic Technology

Grades 3-5 (**Also offered in Morning 2**)

\$160 Tuition

Learn computer coding and problem solving skills in a fun way! This class will help young students think creatively by programming interactive stories, games and animations.
