**Ulla F. Muller Elementary School to Close on February 26 to Honor the
Life of Student Alevia M. Calvin**

The Virgin Islands Department of Education announces that Ulla F. Muller Elementary School will be closed on Thursday, February 26, 2026, as faculty and staff join the family and loved ones of Alevia M. Calvin to attend her funeral service and honor her life.

It is with deep sorrow and a heavy heart that the Virgin Islands Department of Education mourns the unfortunate and untimely passing of Alevia M. Calvin, a cherished student of Ulla F. Muller Elementary School. This heartbreaking loss has deeply impacted not only her family and loved ones, but also her classmates, teachers, school staff, and the wider Virgin Islands community.

On behalf of the Virgin Islands Department of Education, we extend our deepest and most sincere condolences to her family, friends, classmates, and the entire Ulla F. Muller School community. During this time of mourning, we stand united in compassion, love, and support.

The Department recognizes that the loss of a student affects the entire school family. Closing the campus will allow faculty and staff to honor Alevia's memory, support one another, and be present for her family during the funeral service. Counseling and emotional support resources will continue to be made available for students, faculty, and staff as needed.

Classes will resume on Monday, March 2, 2026, as February 27th is a Professional Development Day for teachers. Parents and guardians are encouraged to provide comfort and reassurance to their children and to reach out to the school if additional support services are required.
