3. The resources pop window will display. Click on “PUBLIC RESOURCE” or if the file has already been uploaded, look for the file in your campus folder.

4. Upload the PDF file by clicking on “Browse” or dragging the file on the window.

5. Name the file on the “Title” area and click “SAVE”. (The “NAME” is how it will display on the page)

6. The file will be inserted where the cursor was previously placed. You can edit the name of the file by clicking on the name (red arrow). Or rename the file before uploading to the website.

## Golf Tournament

7. Click on “SAVE” (red arrow), then “PUBLISH” (blue arrow).
