## DREADWOOD

Angelo, Mallie, Gustav and Naira are stuck in detention on a Saturday. It's meant to be a boring day until Mr Canton gets sucked underground! They Must work together to find out what is going on before they become the next victims...

I like this book because it is really interesting, funny and daring. It is great for people who love mystery and adventure books and people who enjoy ~~thing~~ thrilling, scary books.

5 stars:

This book is also about friendship as this mission helps them become friends and work together.
