

TRA Rebel Run Fundraiser TRAdition Starts Here

Dear TRA Families,

TRA is excited to announce our Spring Fundraiser, **the Rebel Color Run**, taking place on **April 10, 2026** for students in **grades 6th–12th**. This is our **BIGGEST fundraiser of the year**, and we invite every family to participate in helping raise funds for the **TRA Fund**.

Funds raised directly impact all of our students by helping Tipton-Rosemark Academy maintain a high standard of excellence and provide essential resources that allow students to thrive. We are excited to see students from all grade levels participate in this fun and meaningful event!

YOU play a vital role in making this event a success! As we celebrate **60 years of TRA**, we are asking each family to consider committing to a **\$60 donation** in honor of this milestone.

What Is a Color Run?

A color run is a fun, non-competitive walk/run where students are showered with colored powder at various stations along the course by volunteers. The focus is on fun, school spirit, and participation, not speed, making it accessible to all fitness levels. Our hope is that this event creates lasting memories while supporting our annual fund. Please see the **Frequently Asked Questions** below for more details.

How You Can Help

YOU are a key part of making this event a success! We encourage every family to commit to raising funds in one or more of the following ways:

- Create a **Champion fundraising page**
- Make an **individual online donation**
- Collect **cash or checks** from friends and family

Once your Champion page is created and approved, it can be shared so others can donate directly online. Students may also turn in cash or checks to their homeroom teachers on the

collection dates listed below.

Checks should be made payable to **Tipton-Rosemark Academy**.

Color Run Frequently Asked Questions

Will the color wash off skin and hair?

Yes! Shake off excess powder while dry. Soap and water will remove the rest.

What if it gets in our eyes?

The color is non-toxic. Flush eyes with water if needed. Sunglasses are recommended.

What should students wear?

TRA-approved spirit wear shirts. Homecoming dress code applies. Please bring a change of clothes.

Are the colors safe?

Yes. The powder is made from corn starch and natural dyes, free of harsh chemicals or heavy metals.

Can students inhale or eat the color?

Inhaling large amounts is not recommended; bandanas may be worn. Eating the color is discouraged, but small accidental ingestion is harmless.

How is the color dispensed?

There will be **four color stations** along the course. The **grade that raises the most funds** will earn an extra color toss at the start of the race.

Want to keep your colored shirt?

Soak it in vinegar, air dry, and iron before washing to set the color.

As we celebrate 60 years of excellence, will you help carry our legacy forward? **TRAdition starts here**, and together we will continue building a strong future for TRA. Thank you for being part of our incredible community.

Sincerely,
Brette Pinner
