Student Council

Your A.R.E.S. Student Council has been working diligently behind the scenes to strengthen school culture and connections at school.

They recently helped launch the new "My Buddy Initiative," a program that brings younger and older classes together to build meaningful connections, spark new friendships, and model what it means to be a positive friend and leader. In addition, Student Council has organized and promoted Buddy Grams, giving students the opportunity to celebrate and recognize the friendships they already cherish.

Through these efforts, our student leaders continue to make a lasting impact by promoting kindness, integrity, and empathy throughout our school community.

A Note From Your Principal:

Hello Roadrunner Families,

January and February somehow flew by! During that time, we reset expectations and saw a huge drop in behavior incidents in January. In February, we had our lowest absenteeism rate so far this year! I was also very busy engaging stakeholders, including our School Organizational Team, in balancing our budget for the 26-27 school year and determining staffing. Now that I've submitted the budget plan, we are ready to focus on finishing the rest of the school year strong. I'll be posting the budget to our school website soon.

As of March 2nd, there are about 56 days of school left this year! Between now and Spring Break, we will be hyper-focused on maximizing as much high-quality instruction as we can for our students, especially those 3rd-5th graders who will begin taking the SBAC after Spring Break. Then, K-5 students will take the final MAP assessment. These are the two assessments that will determine whether we met our goal of Leveling Up to Two Stars! This is where the impact of daily attendance matters, and where all the support you and our staff provided throughout the year is reflected in student performance. It is more important than ever to ensure that your child(ren) are going to bed on time to receive at least 8 hours of sleep and reading every day, which helps their stamina!

Speaking of reading, we kick off NV Reading/Career Week on March 2nd with Dress Up Days, Guest and Mystery Readers, and fun activities all week long. We'll culminate with our School Book Fair the following week. If you haven't already, check out Class Dojo to sign up to read to a class and/or share your career with us!

Family Engagement

Reading Week and Career Week are joining forces this year and will be taking place from March 2nd to 6th. We will be celebrating with guests from the community who will present their careers, read stories to students, and have friendly competitions around campus all week long. For details on dress-up days and events, check Class Dojo.

The Spring Book Fair will be on campus from March 9th to 13th. EWallets are encouraged. Hours and flyers will be posted on Dojo the week of March 2nd.

Tucker's Corner

We continue to remind students and practice self-regulation using our Tucker Pause Place! When big emotions arise, we teach students:

STOP: Take a deep breath.

THINK: Name the emotion.

CHOOSE: Make a respectful, responsible choice.

Please practice this Stop-Think-Choose language at home! Consistent practice helps children stay calm and navigate feelings with confidence. By working together, we can empower our students to manage their emotions successfully. Thank you for your support!

What's the best part about being a Roadrunner?: The best part of being a Roadrunner is the consistent feeling of community. The staff and students make this school a place of joy. I am proud to have the opportunity to be a Roadrunner.

Fun Fact: I grew up traveling as an army brat and have worked on an archaeological excavation.

Our Boys Town skill of the month is Appropriate Voice Tone.

We do this by teaching these steps:

1. Listen to the level of the voices around you.
2. Change your voice to match.
3. Watch and listen for visual or verbal cues, and adjust your voice as needed.

Very Important Parent Partner

The V.I.P.P. for February was Ms. Gutierrez, who has a 4th-grade, 2nd-grade, and PreK student at our school! Ms. Gutierrez volunteers frequently in our PreK and, as usual, will volunteer to help all of our students on Picture Day on 3/2! Admin and teachers love partnering with Ms. Gutierrez to support her children's success! Congrats and thank you for your partnership!
