Career Day Event

Dear Middle School Students and Families:

On March 27, 2026, the Middle School will host a Career Day event, from 9:00am-2:00pm. The event is designed to provide students with an engaging and interactive learning experience while introducing them to a variety of career pathways. Career Day also supports the Pennsylvania Career Readiness Standards.

Throughout the day, students will meet with 7 of our 23 volunteer career presenters, who will share insights into their professions and the steps they took to achieve their current roles. Students will spend approximately 30 minutes with each presenter. Additionally, all students will attend a Sun-Tech presentation, with program information tailored to each grade level.

If you have any questions or concerns, please reach out to our School Counselor, Mrs. Klemick.

Sincerely,
The Career Day Committee
