

It's your friends from Brandeis! We want to tell you about a new **\$3,000 scholarship opportunity** for your students through our virtual programming, **Access 'Deis**. We are hosting virtual sessions aimed at supporting students through the college admissions process. Our goal is to provide free resources and virtual opportunities that will give students access to the tools they need to succeed.

Throughout February and March, we will be offering [virtual events](#), like our “How To” series, allowing students to gain helpful insight into creating their college list, tips for planning their campus visits, and advice from our admissions team.

It all leads up to our **Access 'Deis virtual event on March 31 at 7:30 p.m. Eastern Time**, when your students will hear from current Brandeis students about their pathways to college and a staff member from our Office of Access and Excellence on what services and support colleges like Brandeis offer. **Current sophomores and juniors who attend this event will receive the Access 'Deis scholarship** for their first year of study at Brandeis, if they apply to and are admitted to the University.
