School Profile 2025-26

Community

University Schools has two buildings on one campus: an Elementary/High School located at 6525 W. 18th Street and a Middle School located at 1717 65th Avenue, Greeley, Colorado. Greeley is fifty miles east of the front range of the Rocky Mountains. Greeley is an agricultural community with light industry and a major Colorado university. The city has a population of 109,209 while Weld County has a population of 350,176.

School

University Schools is in its 134th year of existence. After a 112 year association with the University of Northern Colorado, University Schools opened as a public charter school in the fall of 2002. In the fall of 2013, a new middle school building was added. University Schools is K-12 and enrolls over 1,800 students. University Schools continues to be an integral component of UNC's teacher education mission. University Schools' faculty and staff innovate and model effective student-centered teaching and learning.

School Population

As a charter school, University Schools is a school of choice. Students at University Schools come from Greeley and the surrounding area. Forty-two percent of the students qualify for free and reduced lunches. The primary minority population is Hispanic which makes up approximately forty-four percent of the student body. The total minority population of the school is forty-eight and a half percent. University Schools is committed to a diverse student population.

Teacher Education

University Schools works in collaboration with the University of Northern Colorado. UNC students who are teacher candidates observe and participate in teaching and learning K-12. In addition, UNC and University faculty members collaborate in professional development and research designed to promote best education practices.

Activities

Nineteen interscholastic sports, as well as choir, band and drama performance productions provide opportunities for student involvement. High School students are required to complete a minimum 40 hours of community service as well as 3 job shadows, an internship, and a culminating senior project.

Advisor/Advisee

Each K-12 student is assigned a faculty advisor who assists in developing a support system for personal and academic growth. All students develop a portfolio highlighting their academic achievements.

Accreditation

University Schools is fully accredited by the Colorado Department of Education.

Program of Study

The high school program of study includes courses in English, math, social studies and science, as well as world languages, fine arts, health, physical education, computer technology and applied arts including: Culinary Arts, Fashion Design, Business Education and Family Consumer Science. Advanced Placement courses include: Calculus, Chemistry, Computer Science, English Literature, Human Geography, Physics, Psychology, Spanish, Studio Art, Statistics, U.S. History, and World History. University High School and Middle School are configured with a block schedule composed of four 90-minute periods, which meet every other day. Collegiate and Career Pathway programs provide opportunities for students to structure graduation requirements around their career interests.
