- 2026-2027 Budget - was released last week, it was not very favorable to VV. Real numbers - $17,000 & has increased to $466,000 that we owe as of today. Stephen is entering an appeal. Boulder City and Moapa are also arguing we are being underfunded - comparison to tech schools is very unfavorable. Rural adjustment .15 is not enough to run the school. Rural school allotment is $600,000 less than last year. Teachers are more expensive now with less money. CFO of district thinks that there has been a mistake in funding rurals - Maury Perkins says that people are going to bat for the rurals. Appeals are due next Thursday, our appeal will go in tomorrow probably.
- **Bell schedule for next school year - have appealed to move up from 8:30 to 8:15. Trying to move our bell start time to as close to 8 am as possible. Can we put Middle School and High School students on the same bus? Have talked with Mr. Wilson at Hughes Middle School about keeping at 7:30 - hopefully both schools can move closer to 8 am. In hands of busing, will not hear about it until about April.**
