Transitions...an update! WPS 6-1-25

- Word Count: 321
- Approx Reading Time: 1 minute, 11 seconds

As some of you are already aware, we recently announced the appointment of the new Principal of Blanchard Middle School. Please join me in congratulating Mr. Adam Ingano as he steps into this new role on our leadership team. He has been with the district for eight years as a phenomenal contributor on our strong team of Curriculum Coordinators. His work guiding our History and Social Sciences efforts in grades 6-12 has had a significant impact moving us forward as a district. His passion for middle school education will bring wonderful energy and enthusiasm in supporting the students, staff and families at Blanchard. The search process began approximately a month ago and I am grateful to the participation of the nine-person Advisory Committee who interviewed the initial five candidates selected from the twenty-eight applicants as well as all of the staff and family members who provided feedback following the two finalists' meet and greet events last week.

Many of our students and families will also be transitioning to new experiences next year as they wrap up their tenures in one of our schools and prepare to move on to the next chapter of their WPS journeys. The end of year celebrations are always exciting, include important milestones, and can sometimes be bittersweet as we look to turn the page. We wish smooth and joyful transitions to everyone.

Finally, we look forward to honoring the Class of 2025 in just a few short days during the Westford Academy Graduation ceremony. Their educational journey with WPS is coming to a close and our hope for them is that they are able to carry the memories of their experiences with them fondly with a confidence that they are well prepared for wherever their individual future paths take them.

Congratulations indeed!

Cheers,

Chris

Christopher Chew Ed. D

Superintendent of Schools

Westford
