

**2026-2027 Freshman Course Selection Worksheet** – Students complete an Academic Plan each school year in [Californiacolleges.edu](http://Californiacolleges.edu). This document is used to help students understand which classes are available at each grade level. For new students to Granite Bay who do not have access to enroll online, please use this sheet and the Granite Bay Course Catalog to help you make your selections for the following year.

**Directions:** Choose classes below to meet Graduation and a-g Requirements. Elective classes and Program classes are on side 2.

Freshmen **must take** English, PE 9, NGSS Biology, Health & Wellness, and Math. Please select the appropriate level for these classes and 3 other classes. Mark 8 classes, 4 have been selected for you. Zero-period classes are in addition and do not replace. 5 alternates must also be written on this worksheet.

\* Course receives a-g credit—DE courses are applied as a-g for admission, see course catalog for transferability of courses

We have reviewed the course selections and alternates for the next school year. If I am signing up for a class with an application, I will fill out the required documents and will submit by the posted deadline. We understand that the courses must be carefully selected as the master schedule is created from the student course requests. Students may not receive their first choices if changes are made after this form is submitted.
