Subject: Assignment of Accreditation Status to the FAITH FAMILY ACADEMY

The purpose of this letter is to inform you that the 2024-2025 accreditation status of the FAITH FAMILY ACADEMY is **Accredited-Warned**. Under state law, the accreditation statuses that may be assigned to charter schools include Accredited, Accredited-Warned, Accredited-Probation, and Not Accredited-Revoked. A status of **Accredited-Warned** means that a charter school exhibits deficiencies in performance that, if not addressed, will lead to probation or revocation of the charter school's accreditation status.

Faith Family Academy has been issued the 2025-2026 accreditation status of **Accredited** based upon the 2025 Academic Accountability C Rating issued by the Texas Education Agency.

The FAITH FAMILY ACADEMY has been assigned an **Accredited-Warned** status due to the ratings assigned to the charter school in the state's ACADEMIC ACCOUNTABILITY RATING SYSTEM. Specifically, the FAITH FAMILY ACADEMY was assigned ACADEMIC RATINGS FOR 2023 AND 2024 OF F.

The charter school is taking various steps to address the areas of identified deficiency by developing Targeted Improvement Plans for both campuses for the 2025-2026 academic year. The district is making it a priority to implement the use of High-Quality Instructional Materials (HQIM) as well as ensure implementation with fidelity a continuous monitoring and feedback cycle is used for teachers and administrators. Both of these targeted strategies are components of the Effective Schools Framework that is promoted and supported by TEA. Under law, if the current accreditation concerns for the charter school are not addressed, the charter school may be assigned an accreditation status of Accredited-Probation or Not Accredited-Revoked. A Not Accredited-Revoked status means that the TEA no longer recognizes the charter school as a Texas public school. Charter schools with an accreditation status below Accredited also may be subject to additional accreditation sanctions as referenced in statute and rule.

Furthermore, charter schools that fail to meet academic accountability, financial accountability, or any combination thereof for three of the preceding school years meet the default closure provisions under Texas Education Code 12.115(c) and are subject to closure.

For more information regarding the assignment of accreditation statuses to charter schools, you may access the TEA website at <http://www.tea.texas.gov/accredstatus/>. This website will provide you with background information as well as links to the Texas Education Code and current commissioner's rules related to accreditation.
