6.0 PUBLIC COMMENT

The board highly values public comment and input. Individuals or groups who reside in the Post Falls School District may address the board during the Public Comment Sections on the board agenda regarding school and education matters only. During the board meeting, public comment on agenda items will be taken at a different time than comments on non-agenda items. Public comment will be limited to two (2) minutes per individual or group. The board meeting format is designed to facilitate the evening's agenda and, therefore, restricts board members from engaging in conversation with the public speaker or immediately responding to questions. Questions and concerns may be addressed by the board later in the agenda and may be assigned for follow-up by the board or superintendent at a later date. **Speakers are reminded it is unlawful to mention the name of staff or students during public comment.**

1. Each speaker is requested to sign-in and provide his/her home address on the provided sheet prior to the start of the board meeting. Speakers will be called upon by the board chair according to the agenda and order of the sign-up sheet provided prior to the start of the meeting.
2. Each speaker is requested to use the lectern and to give his/her name, declare they are a resident of Post Falls School District, the agenda item they wish to comment on, and to identify the group, if any, that he or she represents.
3. Each speaker will be allowed a presentation not to exceed two (2) minutes at the appropriate time on the agenda.
4. Speakers are requested to refrain from using inappropriate language and from engaging in any form of personal abuse.
5. There will be a limit of one (1) presentation per person.
6. Organizations and groups will be represented by a single spokesperson. The spokesperson for each group will be limited to a presentation of two (2) minutes. To save repetition and time, the board requests that persons not speak if a previous speaker has expressed a similar position on the same issue.

By consensus of the board and by the direction of the board chair, the rules of the By-Law may be suspended for special reasons at any particular meeting. Further, the board may reserve the right to adjust the length of time intended for community participation. (Board policy 205.8a)

All documents for this meeting are available for inspection by the public at the Office of the Superintendent.
