# Montgomery County School Community Asset Mapping

Asset mapping consists of identifying individual, group, and community assets, creating new lenses of natural, social, human, and constructed capital within surrounding areas. A school community asset map will generate a broad view of surrounding resources, expanding educator knowledge of students' funds of knowledge with the overarching goal of facilitating culturally responsive teaching.

| **Learn to Be-Free Online Tutoring**<br>• Learn To Be provides free, online tutoring to underserved youth around the United States. They primarily serve families experiencing homelessness, youth in foster care, families with low incomes, and refugees. The most common subjects are math, reading, writing and science for K-12 material. Learn to Be is open to teaching everything, but what they can help with depends on the expertise of our current tutors. Their students range from ages 9-18 with a wide variety of learning abilities and financial needs.<br>• https://www.learntobe.org/ | **Love Heals Youth Counseling Center**<br>• 212 Conroe Drive<br>Conroe, TX 77301<br>• (281) 948-8768<br>• Monday-Thursday 9:00 am-5:00 pm<br>• This program is designed to support the entire family system, regardless of the setting. They offer counseling services for foster care children, caregivers, and the birth families; work with older foster youth in group home settings and folks experiencing homelessness. They also have Mobile Clothes Closet, Welcome Home Bags, Tutoring Services, and monthly Social Service Projects to help clients meet their basic needs so they can begin to truly thrive.<br>• https://lovehealsyouth.com/ |
