Dear West Orange Public School Community:

Due to inclement weather this winter, our district utilized three emergency closing days. In accordance with our West Orange Board of Education approved 2025–2026 academic calendar, our district must make up the additional day in order to remain in compliance with state requirements. As you may be aware, the New Jersey Department of Education requires all public schools to offer students 180 days of instruction each academic year.

For this reason, **school will be in session on Monday, March 30, 2026** and the single-session - early dismissal schedule will be followed.

I have linked the academic calendar for this year and for next year below for your convenience:

I thank you for your continued support of our students and schools.

Sincerely,

Estimada comunidad de las Escuelas Públicas de West Orange:

Debido al mal tiempo de este invierno, nuestro distrito cerró sus puertas por emergencia durante tres días. De acuerdo con nuestro calendario académico 2025-2026, aprobado por la West Orange Board of Education, nuestro distrito debe recuperar el día adicional para cumplir con los requisitos estatales. Como ya saben, el Departamento de Educación de Nueva Jersey exige que todas las escuelas públicas ofrezcan a los estudiantes 180 días de instrucción cada año académico.

Por esta razón, el horario escolar comenzará el lunes 30 de marzo de 2026 y se seguirá el horario de salida temprana de una sola sesión.

Para su comodidad, les comparto el enlace del calendario académico de este año y del próximo:

Chè Kominote Lekòl Piblik West Orange:

Akòz move tan sezon fredri sa a, distri nou an te itilize twa jou fèmti ijans. An akò ak kalandriye akademik 2025-2026 ke WOBOE te apwouve a, distri nou an dwe ratrape jou anplis la pou l ka rete an konfòmite ak egzijans leta yo. Jan ou ka konnen deja, Depatman Edikasyon New Jersey egzije tout lekòl piblik yo pou yo ofri elèv yo 180 jou ansèyman chak ane akademik.

Pou rezon sa a, lekòl la ap an sesyon lendi 30 mas 2026 epi yo pral swiv orè yon sèl sesyon - lage bonè.

Mwen mete lyen kalandriye akademik pou ane sa a ak pou ane pwochèn anba a pou konvenyans ou:

Mwen remèsye w pou sipò kontinyèl ou bay elèv nou yo ak lekòl nou yo.
