COMMUNICATIONS & COMMUNITY INVOLVEMENT

Communications

Providing a clear, concise, and consistent flow of information is important to us. We share information through Principal and Teacher Newsletters, Communication Folders, Student Agendas and through our school website, social media, email, Google Meets and phone calls.

We also host Parent/Teacher Conferences, Family Nights and Parent Workshops.

Community Involvement

We're fortunate to have an active Parent Teacher Organization and School Improvement Council, along with engaged partnerships with our local Kiwanis Club.

To connect with our School Community, we host Title I Family Nights, Mother-Son Tons of Fun, Father Daughter Dance, Breakfast with Buddies, Grits for Grandparents, Literacy Night, STEAM Night, and Campus My Little Library.

As a school, we support Kids Heart Challenge, American Red Cross Blood Drive, Salvation Army Food Drive, and MUSC Boeing Center for Children's Wellness.

SAFETY

The safety of our students is a top priority. The doors to our school remain locked at all times, and we utilize an automated check-in system for visitors, as well as an automated call-back system for classrooms. Classroom visits are by appointment only. Chaperones and volunteers must complete annual background checks.

We operate a campus-wide system that alerts students, teachers, and staff of emergencies, and we meet quarterly to evaluate and refine our safety guidelines. Additionally, we employ a full-time nurse and numerous individuals on our staff have been trained in CPR.
