Respectful input and behavior by each member of the community is appropriate and expected at all times and should observe the following rules at BOE meetings:

The BOE will listen to comments and input from the public. Debate between members of the audience and/or Board members is inappropriate and will not be permitted.

The Board is not permitted to address personnel or individual student matters in public. No person shall present orally, or discuss at any BOE meeting, charges, or complaints against individual employees, directly or indirectly.

The speaker shall identify themselves and confirm their residency as Seaford within the Seaford School District.

The normal time limit allotted for individual speakers shall be three minutes. The BOE may, in its discretion, decrease or increase the time allotted for individual speakers. To allow for public participation, a period not to exceed 30 minutes shall be set aside as a specific agenda item during each regular and special BOE meeting.
