

### Reminders

**CMAS Testing:** The annual standardized CMAS testing window will begin April 6. We are finalizing the testing schedule. Please do not plan appointments for the weeks of April 6-17.

**Parent Teacher Conferences:** Please look for communication from your child's teacher on whether you need to schedule a conference for March 6<sup>th</sup>. All parents are welcome to schedule a conference. Teacher will reach out if your child has below a 70% in academic subjects, has an RTI plan that needs a signature or review, or if there are behavior concerns.

**Biography Book Report:** The key word outline (KWO – blue paper) is due on Monday, March 2. Please help your student read their biography book and check over the KWO. The portrait is due on March 9. Students brought home a thick cardstock art paper for their portrait, and students can use any medium to design it.

**Toys:** Toys are not to be brought to school as they distract from the learning. When teachers take a toy from a student, the toy will go to the office and a parent will need to ask Mrs. Cook for it.

**Parent Academy:** The Parent Academy will take place on March 12<sup>th</sup> at the Central campus from 6:00-8:30 PM. Please see the course offerings and RSVP through the QR code:
