

# GAP Newsletter

March 2026

Hello GAP Families,

March is coming and we are so excited for some nicer weather to come our way. Please make sure to send jackets and gloves with your kiddos. To make sure items are not lost, please label your child's name onto anything they bring to GAP with them so it makes returning much easier.

This month on March 27<sup>th</sup> at our Friday GAP, kids can bring one stuffed animal. We will have an area set up for them to bring their stuffy to a "doctor" where they will get their vitals checked out, an x-ray, and diagnosis. Our 5<sup>th</sup> and 4<sup>th</sup> graders will be providing the "medical service" to the stuffies.

## Meet Jennifer

I am Jennifer Waters, I have worked for the school district for 19 years and have been part of the GAP program family for the past three years at Greensferry Elementary. I truly enjoy building relationships with students and creating a fun, welcoming environment where kids can learn, grow, and feel at home.

I'm a proud mom of four and a very happy grandma to four grandchildren. My favorite color is burgundy. When I'm not at school, you can find me camping, vacationing, cheering loudly at my grandkids' sporting events, or spending quality time with my family.

As a child, my favorite book was Tales of the Fourth Grade Nothing by Judy Blume, and my favorite movie was Lady and the Tramp.

## Upcoming Events
