

BEECHER ROAD SCHOOL SUMMER ENRICHMENT PROGRAM 2026

Summer Enrichment Director: Jeanne Ciarleglio
Email: sep@woodbridgeps.org

Our sincerest thanks to Superintendent Montini, the Beecher Road School Administration, and the Woodbridge School District Board of Education for their support in making this summer's programming possible. We are truly a community that works together to provide exceptional summer experiences for our children.

Welcome to a summer of creativity, friendship, wonder, learning and fun!

The Summer Enrichment Program invites Beecher students entering kindergarten through 7th grade to join us for weeklong classes beginning Monday, June 29th, through Friday, July 31st. There are many offerings sure to tempt your child's interest. Each SEP course is built around a central theme and is facilitated by skilled staff. You can relax knowing that your child will spend these summer days in a safe, friendly, and stimulating environment. SEP is a great place for your child to be engaged in activities with friends.

(Non-Beecher students may sign up if there is space in the course chosen)

Program Hours:

All classes will run Monday-Friday. There are two sessions per day: 8:30am-11:30am and/or 12pm-3pm for the following weeks:

June 29-July 2 (no Friday due to holiday - cost has been prorated)

July 6-10

July 13-17

July 20-24

July 27-31

*Lunch supervision offered from 11:30am - 12:00pm each day for students attending the full day -
lunch is not provided*

Program Fee:

\$180.00 per session

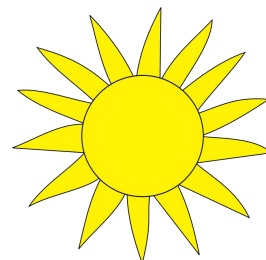

\$200.00 per week for the Kindergarten Readiness program

\$200.00 per week for "Kindergarten - Stay & Play"

Early registration discounts: 10% off all registrations prior to April 1st and 5% off all registrations prior to May 1st - use codes 10%OFF or 5%OFF at registration

Program Location:

Beecher Road School - North Campus - 40 Beecher Road, Woodbridge

Registration and Payment:

The registration link can be found on the district website. woodbridge.k12.ct.us > Parents > Summer Programs

1. Create an online account for each child you wish to enroll in SEP classes by following prompts. If your child already has an account (from SEP, Extended Day, or field trips), please do not create a new one.
2. Register your child(ren) for selected courses.
3. Pay in full online with a credit or debit card.

*If you need to pay by check, contact sep@woodbridgeps.org for instructions on how to register

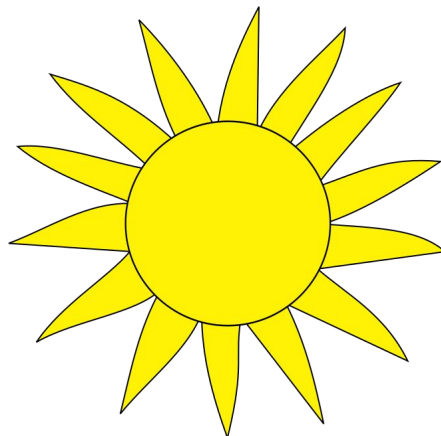

Registration is on a first-come, first-served basis. Classes may be closed due to full or low enrollment. Should this happen, you are welcome to register for an alternate course.

**There are no refunds after June 1st*

Medical Note:

Current health and immunization forms need to be on file with the BRS nurse for all SEP participants.

If your child has any medical concerns, please contact the director at least ONE WEEK before the start of the program at sep@woodbridgeps.org.

Sessions at a Glance

Week 1 - June 29th - July 2nd

Week One: Morning Sessions 8:30 - 11:30

Ready, Set, GROW! - Kindergarten Readiness - Incoming Kindergarten students

Code Crazy - Entering Grades 1-4

Nature Explorers: Batty for Bugs! - Entering Grades 1-4

Palace Party - Entering Grades 1-5

Jewelry Design - Entering Grades 1-7

Wacky Science - Entering Grades 2-7

Breakfast Battles - Entering Grades 1-7

What a Racket - Entering Grades 1-7

Week One: Afternoon Sessions 12:00 - 3:00

Kindergarten Stay & Play - Incoming Kindergarten students only

Slime Time - Entering Grades 1-7

American Girl Doll & You - Entering Grades 1-4

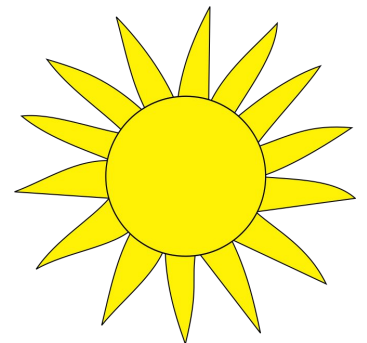

Beautiful Beecher - Entering Grades 2-7

Wonderful Water - Entering Grades 1-7

Pizza Party! - Entering Grades 2-7

Battlebots - Entering Grades 3-7

Bet You Can't! - Entering Grades 1-7

Sessions at a Glance

Week 2 - July 6th - 10th

Week Two: Morning Sessions 8:30 - 11:30

Ready, Set, GROW! - Kindergarten Readiness - Incoming Kindergarten students

Magical Minecraft - Entering Grades 3-7

Nature Explorers: Perfect Plants - Entering Grades 1-4

Crochet Your Way - Entering Grades 2-7

Wizardsing World of Harry Potter - Entering Grades 3-7

Lego Cities - Entering Grades 1-7

Edible Science - Entering Grades 1-7

Global Games - Entering Grades 1-7

Week Two: Afternoon Sessions 12:00 - 3:00

Kindergarten Stay & Play - Incoming Kindergarten students only

Critter Creations - Entering Grades 1-7

Fabulous Physics - Entering Grades 3-7

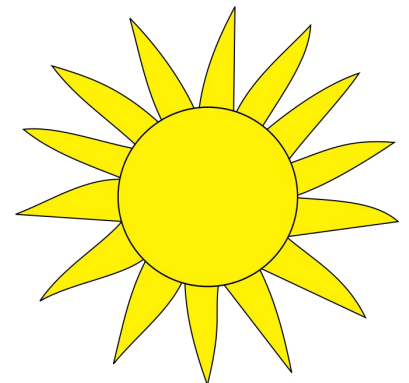

Scratch Game Design - Entering Grades 2-7

Beautiful Beecher - Entering Grades 2-7

Suspension Suspense - Entering Grades 1-7

Field Day - Entering Grades 1-7

Super Salads - Entering Grades 1-7

Sessions at a Glance

Week 3 - July 13th - 17th

Week Three: Morning Sessions 8:30 - 11:30

Ready, Set, GROW! - Kindergarten Readiness - Incoming Kindergarten students

Sew Crazy - Entering Grades 3-7

Nature Explorers: Be a “Rock” Star! - Entering Grades 1-4

Digital Design - Entering Grades 2-7

American Girl & You - Entering Grades 1-5

Have a Ball! - Entering Grades 1-7

Lego Engineers - Entering Grades 1-7

Perfect Parfait - Entering Grades 1-7

Week Three: Afternoon Sessions 12:00 - 3:00

Kindergarten Stay & Play - Incoming Kindergarten students only

Minecraft Mania! - Entering Grades 3-7

Gnome Homes & Fairy Houses - Entering Grades 2-7

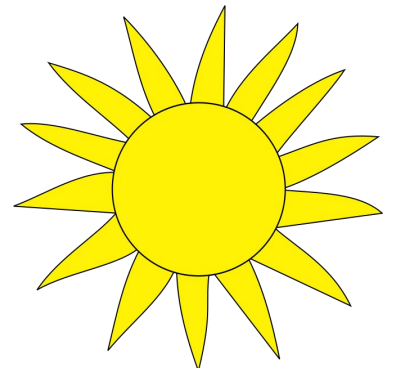

Wacky Science - Entering Grades 1-7

Beautiful Beecher- Entering Grades 2-7

Maker Madness - Entering Grades 1-7

Water World - Entering Grades 1-7

Mexican Masterpieces - Entering Grades 1-7

Sessions at a Glance

Week 4 - July 20st - 24th

Week Four: Morning Sessions 8:30 - 11:30

Ready, Set, GROW! - Kindergarten Readiness - Incoming Kindergarten students

Nature Explorers: Crazy Critters! - Entering Grades 1-4

3D Printing - Entering Grades 3-7

Smoothies & Sweets - Entering Grades 1-7

Comic Creations - Entering Grades 1-7

Lego League - Entering Grades 1-7

Ninja Warriors - Entering Grades 1-7

Barbie Bliss - Entering Grades 1-5

Week Four: Afternoon Sessions 12:00 - 3:00

Kindergarten Stay & Play - Incoming Kindergarten students only

Build a Better Bird House - Entering Grades 1-7

Movie Makers - Entering Grades 3-7

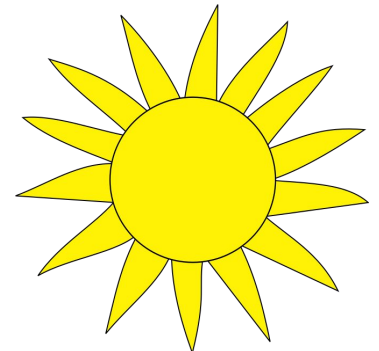

Spectacular Slime - Entering Grades 1-7

Beautiful Beecher - Entering Grades 2-7

Wonderful Water - Entering Grades 1-7

Hand-Held Eats - Entering Grades 1-7

Plant Lab - Entering Grades 1-7

Sessions at a Glance

Week 5 - July 27th - 31st

Week Five Morning Sessions 8:30 - 11:30

Ready, Set, GROW! - Kindergarten Readiness - Incoming Kindergarten students

Nature Explorers: Wacky Weather - Entering Grades 1-4

Battlebots - Entering Grades 3-7

Paint Party - Entering Grades 1-7

Cardboard Creations - Entering Grades 3-7

Breakfast Battles - Entering Grades 1-7

Wonderful Water - Entering Grades 1-7

Garden Growers - Entering Grades 1-7

Week Five Afternoon Sessions 12:00 - 3:00

Kindergarten Stay & Play - Incoming Kindergarten students only

Beautiful Beecher - Entering Grades 2-7

Digital Photography - Entering Grades 3-7

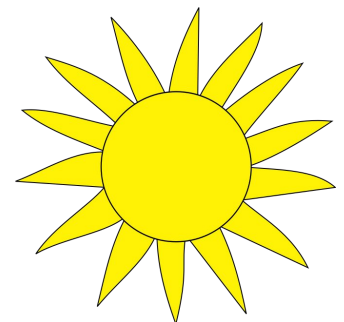

Space Explorers - Entering Grades 1-7

Have a Ball! - Entering Grades 1-7

Lego Challenges - Entering Grades 1-7

Microwave Magic - Entering Grades 1-7

Music Makers - Entering Grades 1-7

Week 1 Morning Sessions

June 29 - July 2

8:30 - 11:30am

Ready, Set, Grow! - Kindergarten Readiness

Get ready for a confident, happy start to the school year!!

- **Description :** Give your child a confident, joyful start to the school year! This engaging program gently introduces the routines, activities, and playful learning they'll experience this fall.
- Children will meet future classmates, explore their soon-to-be classrooms and important spaces at BRS, and take part in fun, hands-on projects. Along the way, they'll learn about kindness, classroom expectations, bus behavior, and more. With new themes each week, families are encouraged to enroll in multiple sessions for even more fun and familiarity before the first big day!

▪ **Grade Level:** Entering K

▪ Cost \$180

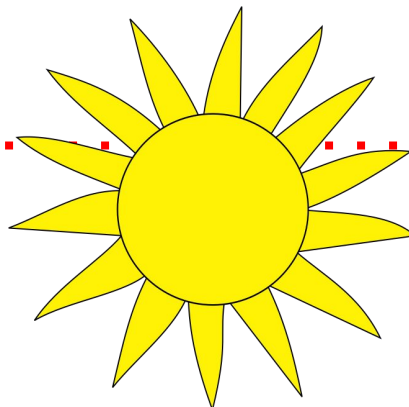

Nature Explorers - Beautiful Bugs

Small but Mighty!

- **Description:** Join our Nature Explorers: Beautiful Bugs camp for a week of hands-on discovery! Campers will wander our beautiful campus to hunt for fascinating insects, sketch their finds, and learn all about the secret lives of creepy-crawly creatures. Through guided nature walks, observation stations, and art activities, students will build curiosity, outdoor skills, and respect for the tiny critters that make our ecosystem buzz. Perfect for young naturalists who love to explore, draw, and ask "why?"

▪ **Grade Level:** Entering Grades 1-4

▪ Cost \$160

Week 1 Morning Sessions

June 29 - July 2

8:30 - 11:30am

Jewelry Design

Sparkle Studio – Jewelry Design for All Ages

Description: Create and shine in Jewelry, a hands-on jewelry design class with activities and project options for every age. Campers will explore beadwork, wire-wrapping, and charm-making, then design pieces that reflect their style—bracelets, necklaces, and more. Guided stations offer age-appropriate tools and techniques, from beginner-friendly kits to advanced challenges for older students. Perfect for makers who love color, creativity, and wearable art—bring your sparkle!

Grade Level: Entering Grades 1-7

Cost \$160

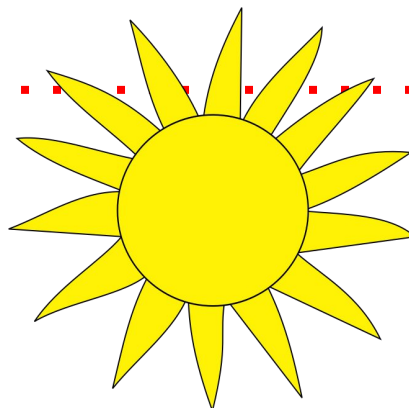

Code Crazy!

Code Crazy – Coding Fun for Little Learners

Description: Dive into Code Crazy, where young minds take their first joyful steps into coding! This class blends low-tech games and hands-on activities with screen-based lessons to teach basic coding concepts like sequencing, loops, and problem-solving. Through unplugged puzzles, interactive stories, and simple projects, students build confidence, creativity, and teamwork while having a blast. Perfect for curious beginners ready to explore the world of coding—no experience needed!

Grade Level: Entering Grades 1-4

Cost \$160

Week 1 Morning Sessions

June 29 - July 2

8:30 - 11:30am

Palace Party

Calling all Prince and Princesses!

Description: Step into a fairytale at Palace Party, a playful camp where every child can be royalty for the day! Campers will enjoy royal games, craft their own crowns and scepters, design banners, and take part in a grand coronation procession. Activities are designed for imagination, friendship, and plenty of glitter—perfect for little princesses, princes, and anyone who loves a magical celebration. Thrones optional; smiles required!

Grade Level: Entering Grades 1-5

Cost \$160

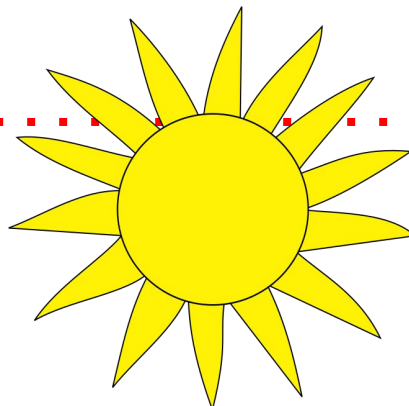

Wacky Science

Silly, Strange, and Spectacular!

Description: Get ready to giggle and gasp in Wacky Science, a hands-on class full of delightfully strange experiments! Campers will mix, fizz, float, and foam their way through safe, supervised activities that spark curiosity and a love of scientific discovery. From color-changing potions to goofy goo and mini eruptions, each experiment is designed to teach real science concepts through playful, memorable moments. Perfect for young scientists who love messy fun, big questions, and unexpected results—lab coats optional, sense of wonder required!

Grade Level: Entering Grades 2-7

Cost \$160

Week 1 Morning Sessions

June 29 - July 2

8:30 - 11:30am

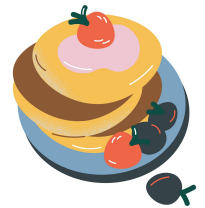

Breakfast Battles

Perfect Pancakes & Wonderful Waffles

Description: Flip into fun with Breakfast Battles, a tasty cooking class where campers compete to make perfect pancakes, wickedly good waffles, and more breakfast favorites. Kids will learn kitchen skills, safe food prep, and creative toppings while teaming up for timed challenges and plated presentations. Sweet, savory, or silly—there's a breakfast taste. Aprons on; appetites ready!

Grade Level: Entering Grades 1-7

Cost \$160

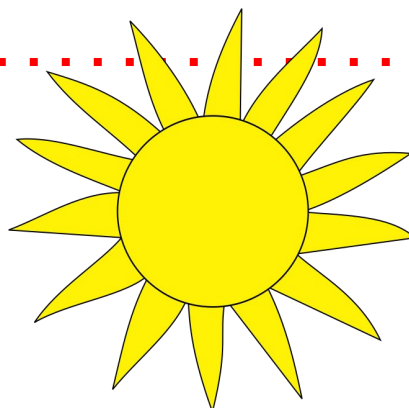

What a Racket!

The best kind of racket!

Description: Serve up energy in What a Racket, an active class mixing badminton, tennis, ping pong, and pickleball for skill-building and fast fun. Campers learn basic strokes, footwork, scoring, and sportsmanship through drills, friendly matches, and cooperative games suitable for all skill levels. Great for budding athletes who love movement, friendly competition, and lots of rally time—grippy shoes encouraged!

Grade Level: Entering Grades 1-7

Cost \$160

Week 1 Afternoon Sessions

June 29 - July 2 12:00 - 3:00pm

Kindergarten Stay & Play

Enjoy storytime & playtime with new friends!

Description: The fun doesn't have to end. Just like the "big" kids, you can stay with us for the afternoon and hang out with your friends. You'll have fun in many areas: art, science, read alouds, and outside time. Each day will bring new adventures and each week will have a unique theme, so students may enroll in more than one session!

Grade Level: Entering K

Cost \$180

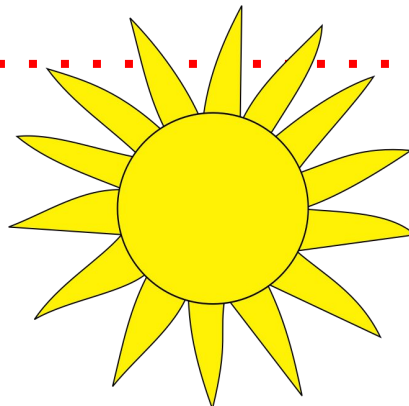

Battlebots

Armor Up with Recycled Materials

Description: Suit up for BattleBots: Armor Up, a hands-on class where campers design and craft protective armor from recycled materials for pre-built robots. Working in teams, students will plan, prototype, and attach creative eco-friendly armor to enhance durability and style. They'll test and refine designs, learn principles of protection and balance, and compete in friendly matches where the most inventive and effective armor wins. Emphasis is on sustainability, teamwork, and problem-solving—may the best-armored bot take the crown!

Grade Level: Entering Grades 3-7

Cost \$160

Week 1 Afternoon Sessions

June 29 - July 2 12:00 - 3:00pm

American Girl Doll and You

You, your doll, and your imagination!

Description: Do you LOVE American Girl dolls? Come join your friends, go to the BRS American Girl salon, hospital, pet shop, and more. Don't forget to bring your doll (If you need one to use - let us know!) We will end the week with an American girl party to celebrate!

Grade Level: Entering Grades 1-4

Cost \$160

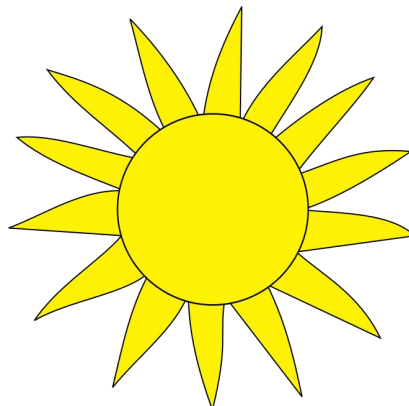

Slime Time!

Ooey, Gooney, Stretchy Fun!

Description: Dive into Slime Time, where campers explore all things ooey, gooney, and stretchy! Kids will mix textures, experiment with colors and scents, and learn safe slime-making techniques through playful, hands-on activities. From floam and glitter slime to glow-in-the-dark and crunchy varieties, each session encourages creativity, science discovery, and messy fun. Perfect for sensory explorers!

Grade Level: Entering Grades 1-7

Cost \$160

Week 1 Afternoon Sessions

June 29 - July 2 12:00 - 3:00pm

Beautiful Beecher

Leave Your Mark

Description: Make a lasting impression in Beautiful Beecher, a creative class where students design murals, signs, and decorative touches that will brighten our school halls for years to come. Campers will plan projects, learn painting and lettering techniques, and work together to install their artwork around campus. Emphasis is on collaboration, pride in place, and leaving a positive legacy—come create something the whole school will enjoy! Join us for one week or all five.

Grade Level: Entering Grades 2-7

Cost \$160

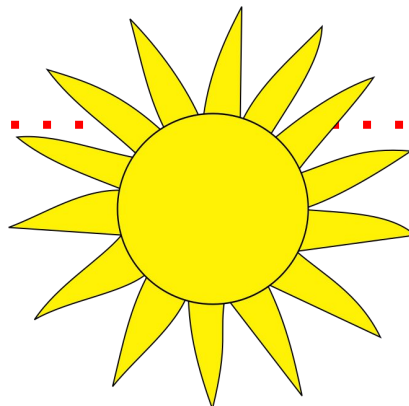

Wonderful Water

Splash, Slide, Repeat!

Description: Get ready to get soaked in Wonderful Water — a wet-and-wild class full of waterslides, sprinklers, water balloon games, and more. Campers should bring bathing suits and a towel; every activity is designed to be splashy, safe, and ridiculously fun. Expect teamwork, cool challenges, and plenty of chances to beat the heat—come prepared to get wet!

Grade Level: Entering Grades 1-7

Cost \$160

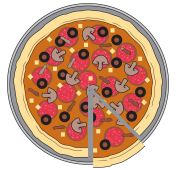

Week 1 Afternoon Sessions

June 29 - July 2 12:00 - 3:00pm

Pizza Party!

Creative Bases & Tasty Toppings

Description: Roll up your sleeves for Pizza Party, a hands-on cooking class exploring interesting crusts and playful toppings—sweet and savory alike. Campers will experiment with classic dough, flatbreads, and alternative bases, then design flavorful pizzas using fresh sauces, cheeses, fruits, and unexpected ingredients. Emphasis is on kitchen skills, safe food handling, and tasty creativity. Perfect for curious cooks who love mixing flavors and sharing slices—aprons on, appetites ready!

Grade Level: Entering Grades 2-7

Cost \$160

Bet You Can't

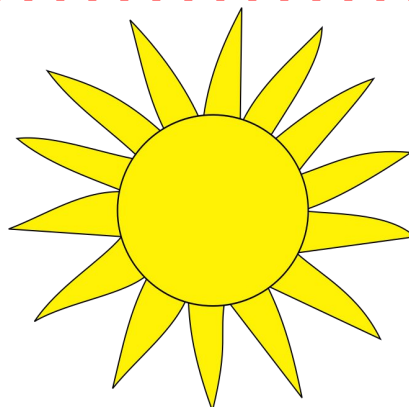

Challenges Galore!

Description: Think you can beat the challenge? Bet You Can't is a high-energy class packed with playful dares, brain teasers, and physical competitions that test teamwork, creativity, and grit. From obstacle courses and relay races to logic puzzles and quick-fire brain games, each activity is designed to push limits in a safe, supportive way. Perfect for kids who love a challenge and cheering on friends—are you ready to take the bet?

Grade Level: Entering Grades 1-7

Cost \$160

Week 2 Morning Sessions

July 6-10 8:30-11:30am

Ready, Set, Grow! - Kindergarten Readiness

Get ready for a confident, happy start to the school year!!

Description : Give your child a confident, joyful start to the school year! This engaging program gently introduces the routines, activities, and playful learning they'll experience this fall. Children will meet future classmates, explore their soon-to-be classrooms and important spaces at BRS, and take part in fun, hands-on projects. Along the way, they'll learn about kindness, classroom expectations, bus behavior, and more. With new themes each week, families are encouraged to enroll in multiple sessions for even more fun and familiarity before the first big day!

Grade Level: Entering K

Cost \$200

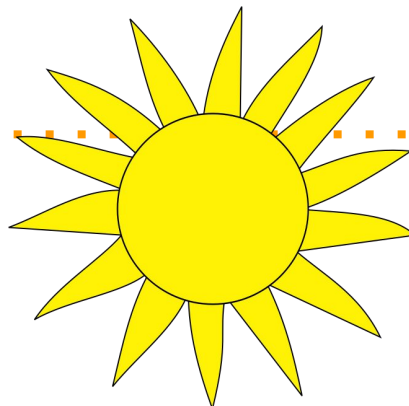

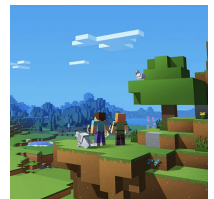

Minecraft Missions

Play, build, collaborate!

Description: Join Minecraft Missions, where students use Minecraft: Education Edition to tackle individual challenges and team-based missions. Campers will practice problem-solving, design thinking, and collaboration as they build, explore, and complete goals in structured worlds. Activities emphasize creativity, communication, and responsible digital citizenship—perfect for learners who love building, strategizing, and working together.

Grade Level: Entering Grades 3-7

Cost \$180

Week 2 Morning Sessions

July 6-10 8:30-11:30am

Nature Explorers - Perfect Plants

Come GROW with us!

Description: Discover the green side of campus in Nature Explorers: Perfect Plants! Campers will wander our grounds to identify native and garden plants, learn basic botany, and take part in hands-on crafts and activities like leaf rubbings, seed planting, and nature journaling. Ideal for young botanists who love getting outdoors, crafting, and learning how plants help our world—gloves and curiosity recommended!

Grade Level: Entering Grades 1-4

Cost \$180

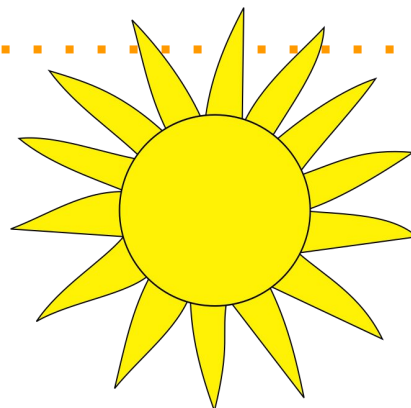

Crochet Away!

Crochet your way to a super fun day!

Description: Hook into Cozy Crochet, a welcoming class where even beginners can create beautiful handmade pieces. Campers will learn basic stitches, simple patterns, and finishing techniques as they make scarves, bookmarks, stuffed friends, and more. Projects are paced for all skill levels with plenty of one-on-one help, creativity, and relaxing vibes—yarn, hooks, and big smiles provided!

Grade Level: Entering Grades 2-7

Cost \$180

Week 2 Morning Sessions

July 6-10 8:30-11:30am

Lego Cities

Build the Ultimate Mini Metropolis

Description: Dive into LEGO Cities, where campers get access to a HUGE collection of bricks to design, build, and collaborate on a stunning mini city. Students will work solo and in teams to plan neighborhoods, create landmarks, and solve design challenges. The week finishes with a public showcase where each group proudly presents their creations. Perfect for builders who love storytelling, teamwork, and endless imagination—bring your big ideas!

Grade Level: Entering Grades 1-7

Cost \$180

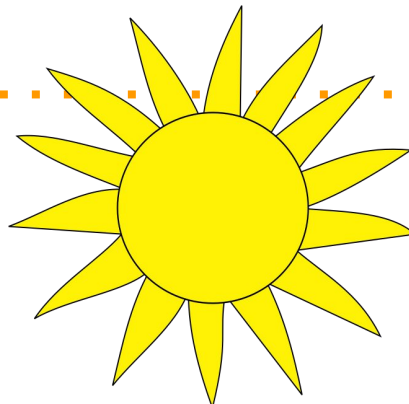

Edible Science

Sweet Experiments from the Kitchen

Description: Taste the wonder in Edible Science, a hands-on class where everyday kitchen ingredients become the tools for delicious experiments. Campers will grow rock candy, perform a safe egg-shell removal demonstration, and explore magical (but edible) chemical reactions that teach real science concepts. Emphasis is on safety, observation, and tasty takeaways—perfect for curious cooks and young scientists who love learning through flavor and fun.

Grade Level: Entering Grades 1-7

Cost \$180

Week 2 Morning Sessions

July 6-10 8:30-11:30am

Wizarding World of Harry Potter

Calling all Wizards!

Description: Take a step through the magical brick wall and onto Platform 9 3/4! Upon arrival, witches and wizards will be sorted into their favorite Hogwarts houses! During our week together, we'll take part in our own version of the Triwizard Cup, create our own wands, discover new mythical creatures, and so much more!

Grade Level: Entering Grades 3-7

Cost \$180

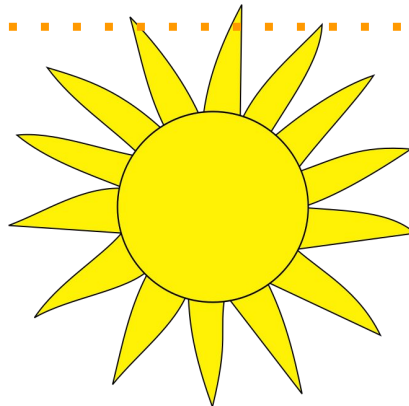

Global Games

Play, Learn, Connect

Description: Travel the world through play in Global Games, a lively class where campers learn traditional and modern games from different cultures. Students will try playground favorites, strategy games, and cooperative challenges—from mancala and hopscotch variations to kabaddi-style tag, congkak, and more. Activities focus on rules, cultural stories behind each game, teamwork, and friendly competition. Perfect for curious players who love learning through movement and play—bring energy and an open mind!

Grade Level: Entering Grades 1-7

Cost \$180

Week 2 Afternoon Sessions

July 6-10

12:00-3:00pm

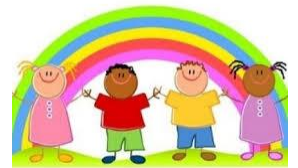

Kindergarten Stay & Play

Enjoy storytime & playtime with new friends!

Description: The fun doesn't have to end. Just like the "big" kids, you can stay with us for the afternoon and hang out with your friends. You'll have fun in many areas: art, science, read alouds, and outside time. Each day will bring new adventures and each week will have a unique theme, so students may enroll in more than one session!

Grade Level: Entering K

Cost \$100

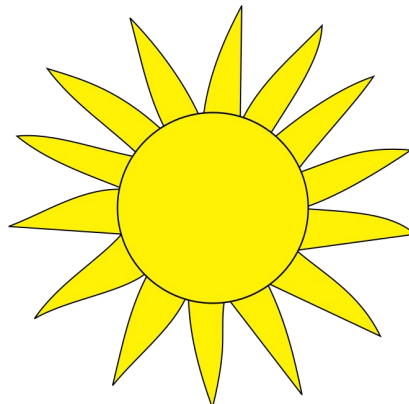

Critter Creations

Small, sweet, funny, or funky - make your own critters!

Description: Do you like all things small, cute, collectible, or cuddly? Then this is the class for you! Come create your own crazy critters using fabric, clay, and other materials.

Grade Level: Entering Grades 1-7

Cost \$180

Week 2 Afternoon Sessions

July 6-10

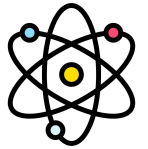

12:00-3:00pm

Fabulous Physics

Wild, Wonderful, Hands-On Fun

Description: Jump into Fabulous Physics, a thrilling class of wild and wonderful hands-on experiments that make physical laws come alive. Campers will build simple machines, launch safe mini-rockets, explore forces with motion challenges, and test ideas through playful investigations. Emphasis is on curiosity, experimentation, and learning by doing—perfect for future physicists who love big questions and bigger reactions. Lab goggles optional; imagination required!

Grade Level: Entering Grades 3-7
Cost \$180

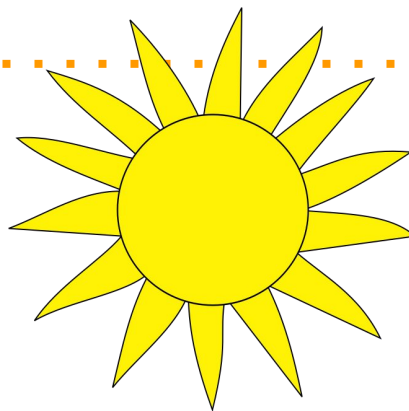

Scratch Game Design

Don't just PLAY a game - build one!

Description: Students of all coding backgrounds will be challenged to create games and animations using the program Scratch. Daily demonstrations of new and continuing skills will be followed by individual work sessions. Students will be tasked with creating an interactive program, which will be played by their classmates on our final day of class. Students will need parental permission to use a Scratch account. There is the potential of students accessing an online community component that will **not** be used during our program. Information on Scratch can be found at <https://scratch.mit.edu/parents>

Grade Level: Entering Grades 2-7
Cost \$180

Week 2 Afternoon Sessions

July 6-10

12:00-3:00pm

Beautiful Beecher

Leave Your Mark

Description: Make a lasting impression in Beautiful Beecher, a creative class where students design murals, signs, and decorative touches that will brighten our school halls for years to come. Campers will plan projects, learn painting and lettering techniques, and work together to install their artwork around campus. Emphasis is on collaboration, pride in place, and leaving a positive legacy—come create something the whole school will enjoy!

Grade Level: Entering Grades 2-7

Cost \$180

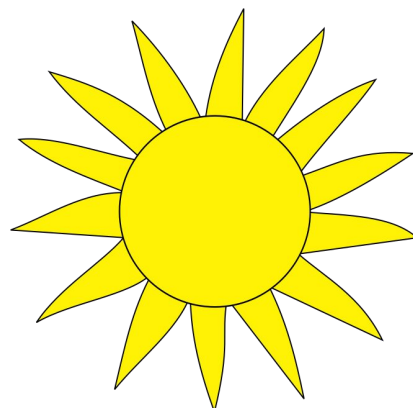

Salad Studio

Chop, Mix, Taste!

Description: Jump into Salad Studio, a hands-on cooking class where campers safely learn to chop, mix, and blend flavors into fresh, delicious salads. Students will practice knife safety with age-appropriate tools, explore dressings and flavor pairings, and create colorful salads from greens, fruits, grains, and proteins. Perfect for young chefs who love healthy eats, creativity, and tasty experiments—aprons on; appetites ready!

Grade Level: Entering Grades 1-7

Cost \$180

Week 2 Afternoon Sessions

July 6-10

12:00-3:00pm

Field Day

Classic Games, Big Fun

Description: Celebrate all the timeless favorites at Field Day, a high-energy class packed with relay races, tug-of-war, sack races, three-legged relays, and more. Campers will play classic schoolyard games that build teamwork, sportsmanship, and lots of laughter. Perfect for kids who love friendly competition and outdoor fun—bring sunscreen, water, and big smiles!

Grade Level: Entering Grades 1-7

Cost \$180

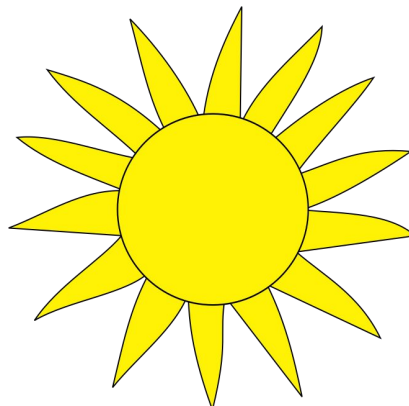

Suspension Suspense

Engineering Meets Art

Description: Combine creativity and engineering in Suspension Suspense, a hands-on class where campers learn classic bridge-building techniques and design eye-catching structures. Students will explore principles of tension and compression, sketch artistic bridge concepts, then build and test models to see which holds the most weight. Emphasis is on safe tool use, iteration, and aesthetic design—perfect for builders who love math, art, and a little friendly structural suspense!

Grade Level: Entering Grades 1-7

Cost \$180

Week 3 Morning Sessions

July 13-17 8:30-11:30am

Ready, Set, Grow! - Kindergarten Readiness

Get ready for a confident, happy start to the school year!!

Description : Give your child a confident, joyful start to the school year! This engaging program gently introduces the routines, activities, and playful learning they'll experience this fall. Children will meet future classmates, explore their soon-to-be classrooms and important spaces at BRS, and take part in fun, hands-on projects. Along the way, they'll learn about kindness, classroom expectations, bus behavior, and more. With new themes each week, families are encouraged to enroll in multiple sessions for even more fun and familiarity before the first big day!

Grade Level: Entering K

Cost \$200

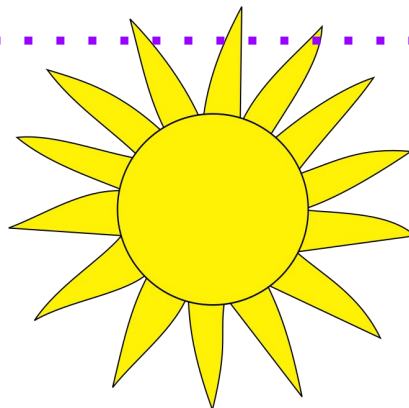

American Girl and You

Create a World Together

Description: Join American Girl & You to play, imagine, and create with our large collection of American Girl items. Campers will style outfits, role-play at themed stations (salon, café, pet shop), and collaborate to build stories and worlds for their dolls. They'll also use clay and other materials to craft custom accessories—hair clips, jewelry, tiny props, and more. Don't have a doll? Let us know—we'll help. Perfect for friends who love creative play, storytelling, and hands-on making

Grade Level: Entering Grades 1-5

Cost \$180

Week 3 Morning Sessions

July 13-17 8:30-11:30am

That's Sew Crazy!

Textiles, Thread & Big Imagination

Description: Stitch, knot, and create in That's Sew Crazy, a hands-on class that mixes textiles, string, and imagination. Campers will learn basic sewing and hand-stitch techniques, experiment with weaving and macramé, and design playful textile projects like pillows, pouches, and wearable crafts. Emphasis is on creativity, safe tool use, and personal expression—perfect for makers who love color, texture, and making things by hand. Materials provided; curiosity required!

Grade Level: Entering Grades 3-7

Cost \$180

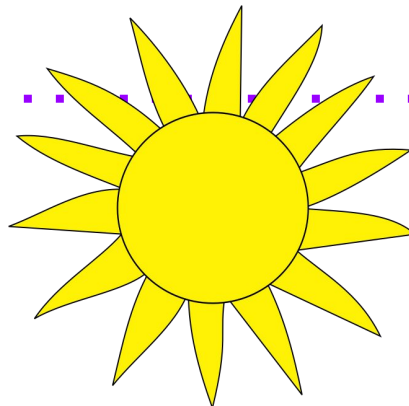

Digital Design

Technology, creativity, and design!

Description: Calling all creative, tech loving kids! Use your creative talents and imagination to put together a digital book, play, movie, or artwork. Collaborate with friends. Learn new tech skills and use them to make a digital project of your choice. Our week will culminate in a digital design art show!

Grade Level: Entering Grades 2-7

Cost \$180

Week 3 Morning Sessions

July 13-17 8:30-11:30am

Nature Explorers - Rock Stars!

Come Dig Up Some BIG Fun!

Description: Become a Rock Star on campus! Campers will hunt for interesting stones and fossils, learn basic geology and rock-identification skills, and take part in hands-on activities like polishing, rubbings, and mini fossil digs. They'll sketch finds, create labeled rock collections, and craft keepsakes to take home. Perfect for curious geologists who love exploring, tinkering, and uncovering the stories hidden in rocks

Grade Level: Entering Grades 1-4
Cost \$180

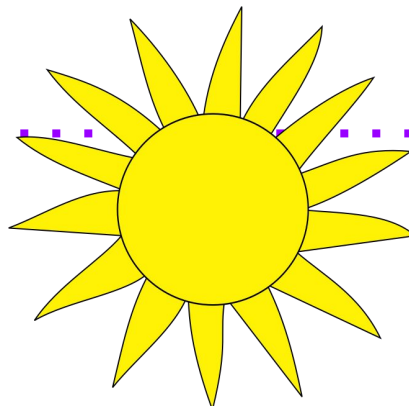

Lego Engineers

Bigger Is Better

Description: Think big in LEGO Engineers, a hands-on class where students use our massive brick collection to build large-scale structures and bold engineering projects. Campers will design blueprints, tackle stability and load challenges, and collaborate on oversized builds—from towering skyscrapers to sprawling bridges. Emphasis is on teamwork, creative problem-solving, and iterative design. Perfect for builders who love ambitious projects and grand reveals

Grade Level: Entering Grades 1-7
Cost \$180

Week 3 Morning Sessions

July 13-17 8:30-11:30am

Perfect Parfait

Build Your Best Bite

Description: Spoon into Perfect Parfait, a low-bake/no-bake class where campers make yogurt, granola, and tasty mix-ins before assembling their dream parfaits. Students will learn simple food prep, layering techniques, and flavor pairings while creating healthy—and delicious—combinations. Emphasis is on kitchen safety, creativity, and tasting new textures.

Grade Level: Entering Grades 1-7

Cost \$180

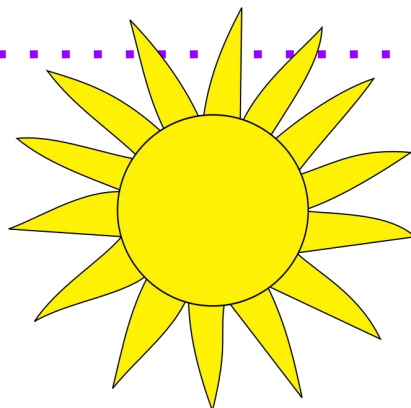

Have a Ball!

All Things Bouncy

Description: Bounce into Have a Ball, an energetic class all about anything that gets you moving and bouncing! From dodgeball and kickball to four-square, medicine-ball challenges, and balloon games, campers will play classic favorites and try new twists on ball play. Activities focus on teamwork, coordination, and nonstop fun—bring comfy shoes and plenty of energy!

Grade Level: Entering Grades 1-7

Cost \$180

Week 3 Afternoon Sessions

July 13-17

8:30-11:30am

Kindergarten Stay & Play

Enjoy storytime & playtime with new friends!

Description: The fun doesn't have to end. Just like the "big" kids, you can stay with us for the afternoon and hang out with your friends. You'll have fun in many areas: art, science, read alouds, and outside time. Each day will bring new adventures and each week will have a unique theme, so students may enroll in more than one session!

Grade Level: Entering K

Cost \$200

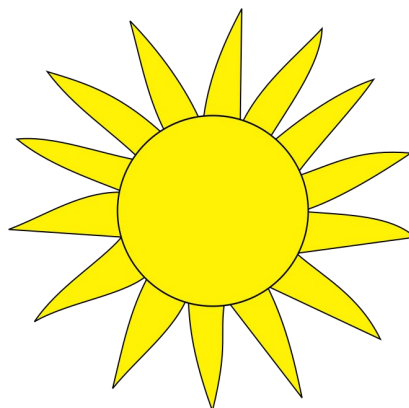

Wonderful Water

Splash, Slide, Repeat!

Description: Get ready to get soaked in Wonderful Water — a wet-and-wild class packed with waterslides, sprinklers, water-balloon games, and more. Campers should bring bathing suits, towels, and a change of clothes; every activity is designed to be splashy, safe, and ridiculously fun. Expect teamwork, cool challenges, and plenty of chances to beat the heat—come prepared to get wet! Bathing Suit and Towel required!

Grade Level: Entering Grades 1-7

Cost \$180

Week 3 Afternoon Sessions

July 13-17 12:00-3:00pm

Gnome Homes and Fairy Houses

Create a "home" for mythical creatures using repurposed materials!

Description: Enter the magical world of gnomes, fairies, and other mythical creatures, beginning with an exploration of the lore through literature, then create habitats to attract them! We will look for gnome and fairy homes in the courtyard, as well as natural pieces to use along with repurposed materials to build displays for our own homes and gardens. Our math and science skills will help us construct our buildings, making sure they are structurally sound.

Grade Level: Entering Grades 2-7
Cost \$180

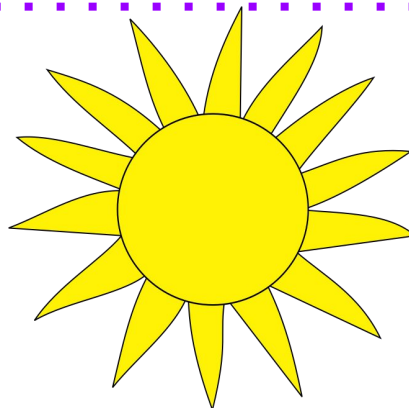

Wild and Wacky Science

Learn about science and create fun projects!

Description: Welcome to Wild & Wacky Science, a hands-on class full of "blow-your-mind" experiments and the real science that makes them happen. Campers will create dramatic demos—mini eruptions, color-changing reactions, levitating tricks, and more—then dig into the why with safe, age-appropriate explanations and investigations. Emphasis is on curiosity, observation, and doing science safely while having a blast.

Grade Level: Entering Grades 1-7
Cost \$180

Week 3 Afternoon Sessions

July 13-17 12:00-3:00pm

Maker Madness

Create what only you can imagine!

Description: What happens with duct tape, cardboard, paper, and other found items? Only your imagination can answer that. Use a myriad of materials and objects to make whatever you dream of. If you think the sky's the limit, this class is for you! Work and learn with like minded friends!

Grade Level: Entering Grades 1-7
Cost \$180

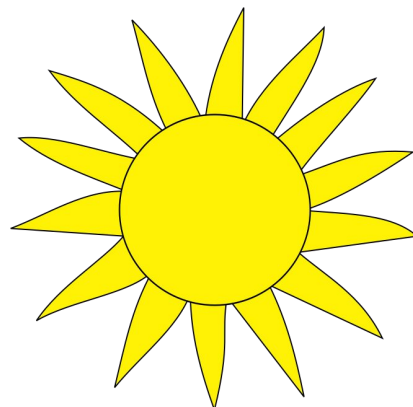

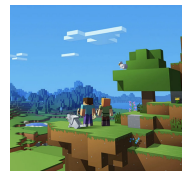

Minecraft Masters

Build, Code, Unlock

Description: Level up in Minecraft Coding Adventures, where campers use Minecraft: Education Edition's coding tools to unlock new ways to play. Students will learn block- and text-based coding to automate builds, create custom mobs and mechanisms, and design interactive missions—working solo and in teams. Emphasis is on computational thinking, creativity, and responsible digital citizenship.

Grade Level: Entering Grades 3-7
Cost \$180

Week 3 Afternoon Sessions

July 13-17 12:00-3:00pm

Beautiful Beecher

Leave Your Mark

Description: Make a lasting impression in Beautiful Beecher, a creative class where students design murals, signs, and decorative touches that will brighten our school halls for years to come. Campers will plan projects, learn painting and lettering techniques, and work together to install their artwork around campus. Emphasis is on collaboration, pride in place, and leaving a positive legacy—come create something the whole school will enjoy!

Grade Level: Entering Grades 2-7

Cost \$180

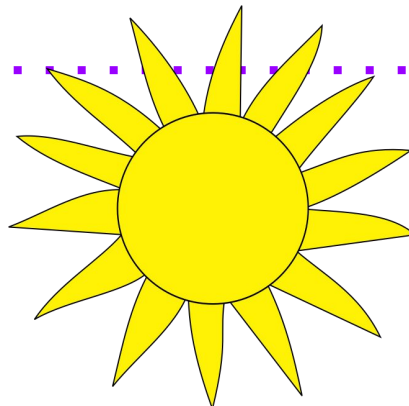

Mexican Masterpieces

Flavors, Fun, and Fresh Traditions

Description: Spice up the week in Mexican Masterpieces, a hands-on cooking class celebrating the flavors and culture of Mexican cuisine. Campers will learn to make fresh guacamole, zesty salsas, and other delicious treats while exploring food traditions, ingredient stories, and safe kitchen skills. Expect tasting stations, simple techniques (mashing, chopping, mixing), and creative recipe twists—perfect for young chefs who love bold flavors and cultural discovery. Aprons on; taste buds ready!

Grade Level: Entering Grades 1-7

Cost \$180

Week 4 Morning Sessions

July 20-24 8:30-11:30am

Ready, Set, Grow! - Kindergarten Readiness

Get ready for a confident, happy start to the school year!!

Description : Give your child a confident, joyful start to the school year! This engaging program gently introduces the routines, activities, and playful learning they'll experience this fall. Children will meet future classmates, explore their soon-to-be classrooms and important spaces at BRS, and take part in fun, hands-on projects. Along the way, they'll learn about kindness, classroom expectations, bus behavior, and more. With new themes each week, families are encouraged to enroll in multiple sessions for even more fun and familiarity before the first big day!

Grade Level: Entering K

Cost \$200

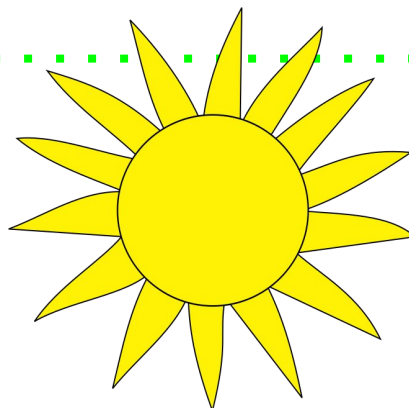

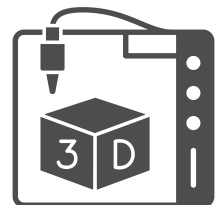

3D Printing - CAD Creators

Design, Print, Real-World Making

Description: Design in 3D with CAD Creators, a hands-on class using developmentally appropriate software to build practical CAD skills. Students will model objects, learn slicing and file prep, and explore 3D printer hardware and safety. Projects emphasize iterative design, problem-solving, and real-world applications—from prototypes to useful classroom tools. Perfect for young designers ready to turn ideas into tangible creations

Grade Level: Entering Grades 3-7

Cost \$180

Week 4 Morning Sessions

July 20-24 8:30-11:30am

Nature Explorers: Campus Critters!

Discover, Sketch, and Celebrate the Tiny Neighbors All Around Us!

Description: Meet the critters that share our campus in Nature Explorers: Campus Critters! Campers will search for insects, birds, amphibians, and other creatures during guided walks, sketch and journal observations, and enjoy hands-on activities like habitat building and gentle catch-and-release studies. Art projects and nature crafts bring discoveries to life. Perfect for curious explorers who love wildlife, outdoor play, and creative learning—binoculars and wonder encouraged!

Grade Level: Entering Grades 1-4
Cost \$180

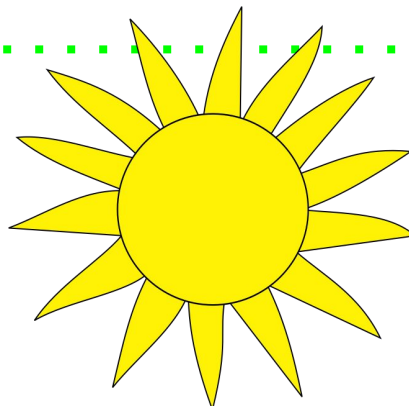

Comic Creations

Tell Your Story, Frame by Frame

Description: Dive into Comic Creations, where students explore the history and craft of comics and make their own! Campers will study classic styles and storytelling techniques, design original characters, develop plotlines, and produce short comic strips or pages. The week culminates in a community gallery walk where everyone showcases their work. Perfect for budding illustrators and storytellers—pens, panels, and big ideas encouraged!

Grade Level: Entering Grades 1-7
Cost \$180

Week 4 Morning Sessions

July 20-24 8:30-11:30am

Barbie Bliss

Play, Create, Design

Description: Step into Barbie Bliss, a creative class where campers play, design, and craft for their favorite dolls. Students will style outfits, customize accessories, and build mini scenes using fabric, clay, and mixed materials. Stations include outfit design, mini-set decorating, and accessory crafting—plus free play and storytelling time. Don't have a doll? Let us know and we'll help. Perfect for makers who love fashion, design, and imaginative play—bring your doll or borrow one from us!

Grade Level: Entering Grades 1-5

Cost \$180

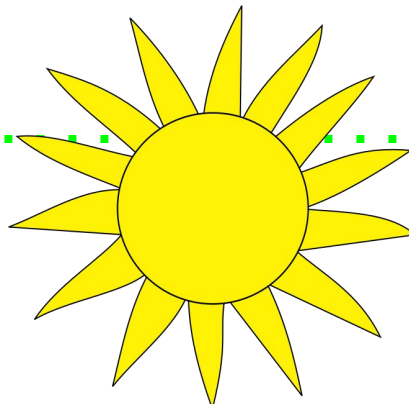

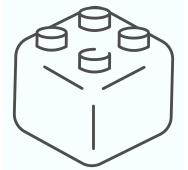

Lego League

Bring your design to the next level!

Description: Take building to the next level in LEGO League, a hands-on class for advanced builders who want bigger challenges. Campers will design complex structures, tackle engineering puzzles, and integrate LEGO robotics to bring their creations to life. This low- and high-tech combo offers something for everyone—from hands-on large builds to coded robot behaviors that interact with student creations. Projects emphasize collaboration, iterative design, and creative problem-solving. Perfect for builders ready to mix creativity with tech—bring bold ideas and a teamwork mindset!

Grade Level: Entering Grades 1-7

Cost \$180

Week 4 Morning Sessions

July 20-24 8:30-11:30am

Smoothies and Sweets

Blend, Taste, Make Friends

Description: Sip, snack, and share in Smoothies & Sweets, a low/no-bake class where campers combine healthy and fun ingredients to create tasty treats. Students will experiment with fresh fruits, yogurt, nut butters, granolas, and sweet toppings to craft smoothies, parfaits, energy bites, and other no-bake delights. Emphasis is on safe food prep, flavor exploration, and trying new combinations—great for expanding palates and making new friends.

Grade Level: Entering Grades 1-7

Cost \$180

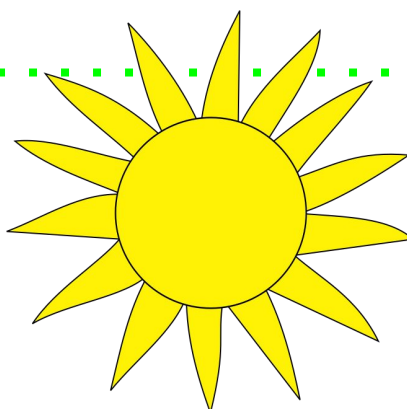

Ninja Warriors

Fun, Fast, Fearless

Description: Leap into Ninja Warriors, a playful, competitive take on the hit series with developmentally appropriate, timed challenges. Campers will tackle obstacle courses, balance and agility stations, and strength-based tasks that build confidence, coordination, and teamwork. Activities are scaled for different ages and focus on safe technique, personal bests, and cheering on teammates. Ready, set, conquer!

Grade Level: Entering Grades 1-7

Cost \$180

Week 4 Afternoon Sessions

July 20-24 12:00-3:00pm

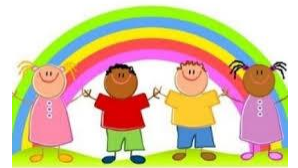

Kindergarten Stay, Play, and Learn

Enjoy storytime & playtime with new friends!

Description: The fun doesn't have to end. Just like the "big" kids, you can stay with us for the afternoon and hang out with your friends. You'll have fun in many areas: art, science, read alouds, and outside time. Each day will bring new adventures, and each week will have a unique theme, so students may enroll in more than one session!

Grade Level: Entering K

Cost \$200

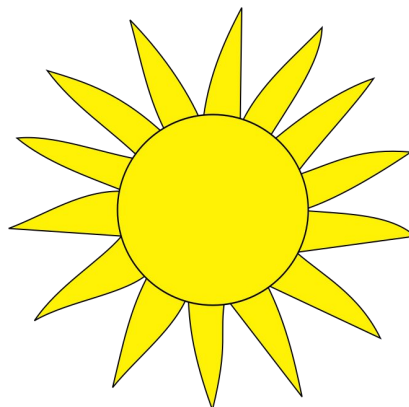

Build a Better Bird House

Homes for Our Feathered Friends

Description: Design, build, and welcome birds in Build a Better Birdhouse! Campers will learn about native species, make healthy bird treats, and design bird-friendly houses using recycled and found materials to be placed around the Beecher campus. Hands-on crafting, painting, and habitat discussion combine with installation day so students see their work in action. Perfect for young conservationists who love nature, crafting, and helping wildlife—bring curiosity and a sense of stewardship!

Grade Level: Entering Grades 1-7

Cost \$180

Week 4 Afternoon Sessions

July 20-24 12:00-3:00pm

Movie Makers

Lights, Camera, Action!!!!

Description: Are you a movie fan? Join Movie Makers for a week of scriptwriting, filming, and editing as campers explore the full movie-making process. Students will learn iMovie basics, green-screen techniques, and try different forms of filmmaking—live action, stop-motion, and short documentaries. Through writing workshops, on-set practice, and editing sessions, campers will produce mini-movies to share at week's end. Perfect for storytellers and budding filmmakers—bring imagination and a ready smile!

Grade Level: Entering Grades 3-7

Cost \$180

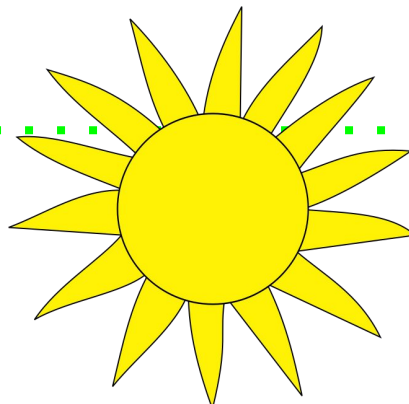

Slime Time!

Slippery, slimy, and super fun!

Description: Do you LOVE slime? Join Slime Time to make fluffy, butter, crunchy, magnetic, and many more gooey varieties! Campers will experiment with textures, colors, and safe slime-making techniques while learning the simple science behind each squishy creation. Perfect for sensory explorers who like to get messy and creative

Grade Level: Entering Grades 1-7

Cost \$180

Week 4 Afternoon Sessions

July 20-24 12:00-3:00pm

Wonderful Water

Splash, splash, have a bash!

Description: Get ready to get soaked in Wonderful Water — a wet-and-wild class packed with waterslides, sprinklers, water-balloon games, and more. Campers should bring bathing suits, towels, and a change of clothes; every activity is designed to be splashy, safe, and ridiculously fun. Expect teamwork, cool challenges, and plenty of chances to beat the heat—come prepared to get wet!

Grade Level: Entering Grades 1-7

Cost \$180

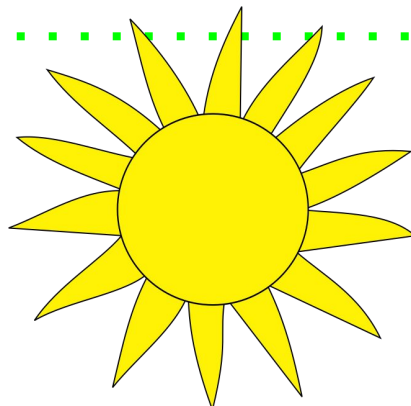

Beautiful Beecher

Leave Your Mark

Description: Make a lasting impression in Beautiful Beecher, a creative class where students design murals, signs, and decorative touches that will brighten our school halls for years to come. Campers will plan projects, learn painting and lettering techniques, and work together to install their artwork around campus. Emphasis is on collaboration, pride in place, and leaving a positive legacy—come create something the whole school will enjoy!

Grade Level: Entering Grades 2-7

Cost \$180

Week 4 Afternoon Sessions

July 20-24 12:00-3:00pm

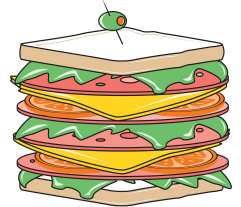

Hand Held Eats

Wrap, Roll, Stick, and Enjoy!

Description: Grab a bite-sized adventure in Handheld Eats, a hands-on cooking class all about wraps, roll-ups, sandwiches, cake pops, and more—both sweet and savory. Campers will learn safe prep skills—spreading, rolling, assembling, and decorating—while experimenting with flavor combos, textures, and kid-friendly plating. Activities include build-your-own stations, creative theme challenges, and a tasting share-time. Perfect for young chefs who love portable food, quick recipes, and tasty teamwork

Grade Level: Entering Grades 1-7

Cost \$180

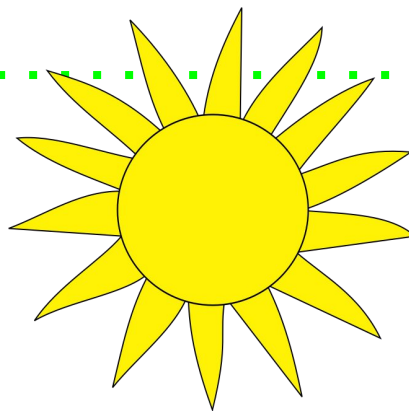

Plant Lab

Hydroponics, terrariums, and small-scale botany experiments

Description: Dive into Plant Lab, a hands-on class exploring hydroponics, terrariums, and small-scale botany experiments. Campers will build mini hydroponic systems, design sealed terrariums, test factors like light and water, and investigate germination, root growth, and plant care. Activities emphasize observation, scientific method, and sustainable practices—perfect for young botanists who love hands-on experiments and watching plants thrive. Materials provided; curiosity required!

Grade Level: Entering Grades 1-7

Cost \$180

Week 5 Morning Sessions

July 27-31 8:30-11:30am

Ready, Set, Grow! - Kindergarten Readiness

Get ready for a confident, happy start to the school year!!

Description : Give your child a confident, joyful start to the school year! This engaging program gently introduces the routines, activities, and playful learning they'll experience this fall. Children will meet future classmates, explore their soon-to-be classrooms and important spaces at BRS, and take part in fun, hands-on projects. Along the way, they'll learn about kindness, classroom expectations, bus behavior, and more. With new themes each week, families are encouraged to enroll in multiple sessions for even more fun and familiarity before the first big day!

Grade Level: Entering K

Cost \$200

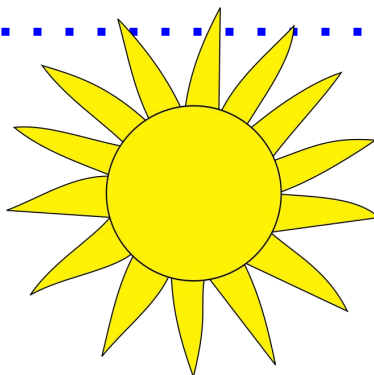

Nature Explorers - Weather Watchers

Explore the sky—snow, sun, storm, and everything in between!

Description: Explore the moods of the sky in Nature Explorers: Weather! Campers will investigate snowy, windy, wet, and sunny weather through hands-on experiments, cloud and wind observations, and creative weather-themed crafts. Activities include simple forecasting, rain-gauge building, and storm-safety lessons—perfect for curious kids who love to study the sky and get a little messy with science.

Grade Level: Entering Grades 1-4

Cost \$180

Week 5 Morning Sessions

July 27-31 8:30-11:30am

Wonderful Water

Splash, splash, have a bash!

Description: Get ready to get soaked in Wonderful Water — a wet-and-wild class packed with waterslides, sprinklers, water-balloon games, and more. Campers should bring bathing suits, towels, and a change of clothes; every activity is designed to be splashy, safe, and ridiculously fun. Expect teamwork, cool challenges, and plenty of chances to beat the heat—come prepared to get wet!

Grade Level: Entering Grades 1-7
Cost \$180

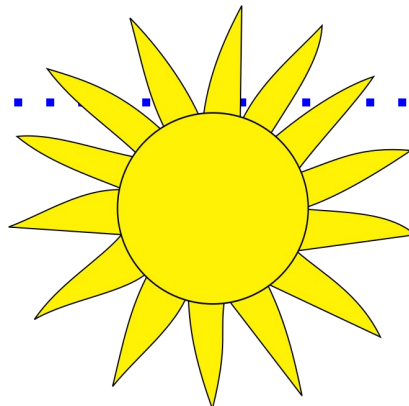

Paint Party

Paint your own masterpiece!

Description: Join Paint Party for a colorful week of watercolors, acrylics, and creative natural media like tea and plant dyes. Campers will explore painting techniques, experiment with texture and layering, and use found materials to make unique works of art. Projects are suited for all skill levels with guided instruction, and a final week-end gallery where artists proudly display their creations. Perfect for young artists who love color, experimentation, and making beauty from everyday materials

Grade Level: Entering Grades 1-7
Cost \$180

Week 5 Morning Sessions

July 27-31 8:30-11:30am

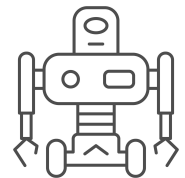

Battlebots

Build, and Battle - May the Best Bot Win!

Description: Suit up for BattleBots: Armor Up, a hands-on class where campers design and craft protective armor from recycled materials for pre-built robots. Working in teams, students will plan, prototype, and attach creative, eco-friendly armor to enhance durability and style. They'll test and refine designs, learn principles of protection and balance, and compete in friendly matches where the most inventive and effective armor wins. Emphasis is on sustainability, teamwork, and iterative problem-solving—may the best-armored bot take the crown!

Grade Level: Entering Grades 3-7

Cost \$180

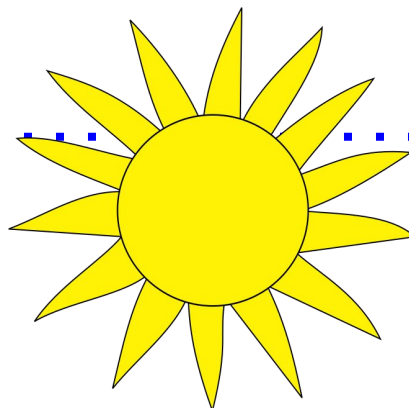

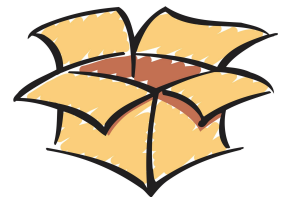

Cardboard Creations

Build Big, Imagine Bigger

Description: Unleash creativity in Cardboard Creations, a free-building class with no limits on what you can make. Campers will plan, cut, fold, and assemble recycled cardboard into sculptures, forts, costumes, and inventive contraptions. Emphasis is on open-ended design, teamwork, and hands-on problem-solving—perfect for makers who love messy play, bold ideas, and turning simple materials into something spectacular. Materials provided; imagination required!

Grade Level: Entering Grades 3-7

Cost \$180

Week 5 Morning Sessions

July 27-31 8:30-11:30am

Breakfast Battles

Perfect Pancakes & Wonderful Waffles

Description: Flip into fun with Breakfast Battles, a tasty cooking class where campers compete to make perfect pancakes, wicked waffles, and more breakfast favorites. Kids will learn kitchen skills, safe food prep, and creative toppings while teaming up for timed challenges and plated presentations. Sweet, savory, or silly—there's a breakfast for every taste. Aprons on; appetites ready!

Grade Level: Entering Grades 1-7

Cost \$180

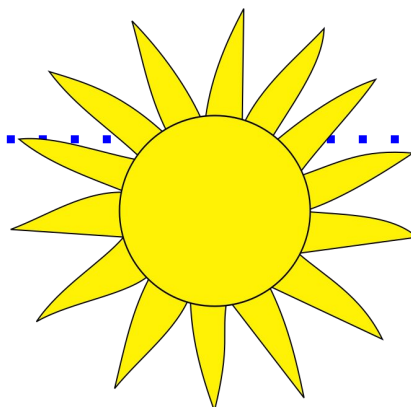

Garden Growers

Plant, Grow, Harvest

Description: Dig into Garden Growers, a hands-on gardening class where kids learn to plant, tend, and harvest their own herbs and veggies. Campers will pot seeds, build mini raised beds, learn watering and soil basics, and create simple garden crafts like labeled markers and seed bombs. Emphasis is on hands-on care, seasonal planting, and watching food grow from seed to snack—plus students will prepare some tasty, bird- and pollinator-friendly treats to leave around campus for our four-legged and feathered friends. Perfect for young gardeners who love getting their hands dirty and helping wildlife!

Grade Level: Entering Grades 1-7

Cost \$180

Week 5 Afternoon Sessions

July 27-31 12:00-3:00pm

Kindergarten Stay, Play, and Learn

Enjoy storytime & playtime with new friends!

Description: The fun doesn't have to end. Just like the "big" kids, you can stay with us for the afternoon and hang out with your friends. You'll have fun in many areas: art, science, read alouds, and outside time. Each day will bring new adventures, and each week will have a unique theme, so students may enroll in more than one session!

Grade Level: Entering K

Cost \$200

Kindergarten!

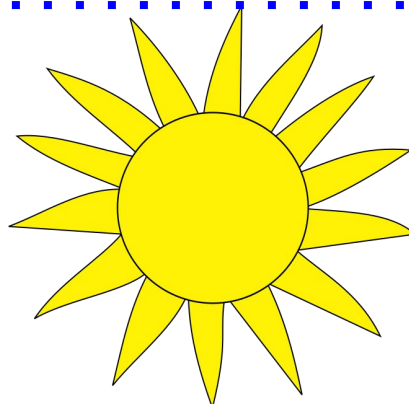

Have a Ball!

All Things Bouncy!

Description: Bounce into Have a Ball, an energetic class all about anything that gets you moving and bouncing! From dodgeball and kickball to four-square, medicine-ball challenges, and balloon games, campers will play classic favorites and try fun new twists on ball play. Activities focus on teamwork, coordination, and nonstop fun—bring comfy shoes and plenty of energy!

Grade Level: Entering Grades 1-7

Cost \$180

Week 5 Afternoon Sessions

July 27-31 12:00-3:00pm

Digital Photography

Capture, Create, Share

Description: Frame the world in Digital Photography, a hands-on class where students learn tips, tools, and tricks to capture great images using iPads. Campers will explore composition, lighting, and editing basics, practice on campus shoots, and learn simple workflows to turn family memories into polished masterpieces. The week concludes with an in-camp gallery for fellow campers and a virtual album of student work uploaded for sharing. Perfect for budding photographers who love storytelling through images

Grade Level: Entering Grades 3-7
Cost \$180

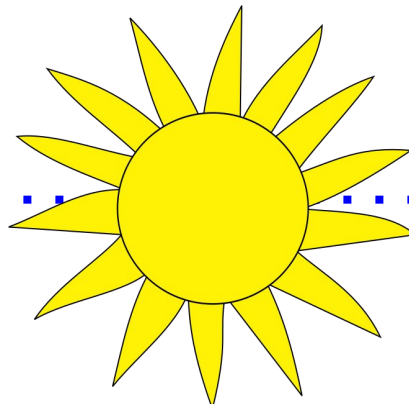

Space Explorers

For Stargazers and Future Astronauts

Description: Look up and wonder in Space Explorers, a hands-on class for anyone who's ever been curious about the night sky. Campers will explore planets, stars, and galaxies through guided observations, model solar-system projects, and hands-on activities that explain orbits, phases, and space travel. The class also includes engaging lessons on the history of space exploration—from early rocketry to moon landings and modern missions. Expect interactive demos, mission-style challenges, and a chance to build your own mini-space gadget. Perfect for young astronomers and dreamers—binoculars and big questions encouraged!

Grade Level: Entering Grades 1-7
Cost \$180

Week 5 Afternoon Sessions

July 27-31 12:00-3:00pm

Microwave Madness

Quick, Tasty, Safe

Description: Heat up fun in Microwave Madness, a hands-on cooking class where campers learn to make microwave cakes, omelettes, mug meals, and other speedy treats using safe techniques. Students practice portioning, timing, and safe appliance use while exploring creative flavor combos and plating. Emphasis is on kitchen safety, simple recipes, and tasty results—skills campers can bring home to become more self-sufficient in the kitchen.

Grade Level: Entering Grades 1-7

Cost \$180

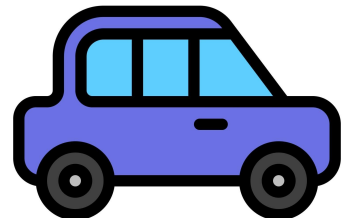

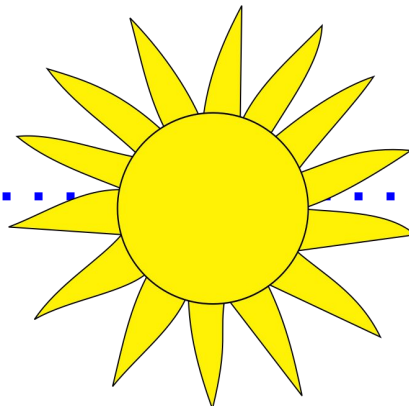

Lego - Let's Roll!

Kinetic Builds in Motion

Description: Get moving with LEGO — Let's Roll, a hands-on class focused on kinetic builds that spin, roll, and come to life. Campers will design vehicles, wind-powered sculptures, gear systems, and simple Rube-Goldberg-style machines using our huge brick collection. Emphasis is on motion, balance, and creative problem-solving—perfect for builders who love engineering that moves. Bring big ideas and get ready to make things roll!

Grade Level: Entering Grades 1-7

Cost \$180

Week 5 Afternoon Sessions

July 27-31 12:00-3:00pm

Music Makers!

Make Music, Make Noise, Make Friends

Description: Create sound and spark creativity in Music Makers, a hands-on class where campers build working musical instruments from everyday materials. Students will explore rhythm, pitch, and basic acoustics as they construct drums, stringed instruments, shakers, and simple wind instruments using craft supplies and recyclables. Activities include design sketches, sound-testing labs, and group jam sessions that bring creations to life. Perfect for makers and music lovers who enjoy hands-on learning, experimentation, and noisy fun—bring curiosity and a sense of rhythm!

Grade Level: Entering Grades 1-7

Cost \$180

Beautiful Beecher

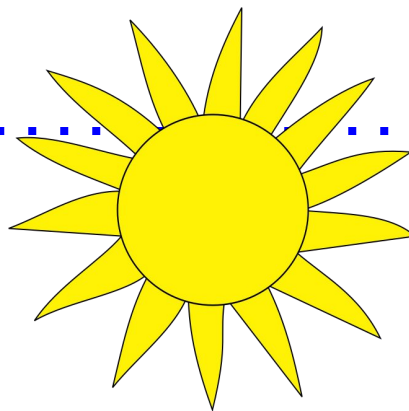

Leave Your Mark

Description: Join us for our final week of Beecher Beautification!

Make a lasting impression in Beautiful Beecher, a creative class where students design murals, signs, and decorative touches that will brighten our school halls for years to come. Campers will plan projects, learn painting and lettering techniques, and work together to install their artwork around campus. Emphasis is on collaboration, pride in place, and leaving a positive legacy—come create something the whole school will enjoy!

Grade Level: Entering Grades 2-7

Cost \$180
