- Staff Updates -
 - Felty Elementary currently has a total staff of 70 members, with 29 new team members joining us this year representing 40% of our campus staff. Of those, five were hired prior to summer, and thirteen were hired from summer to the present, bringing our total new hires to 18. We also welcomed two transfers (a paraprofessional and security staff member), added two new SPED positions (SLPA and VI), and hired a new PEIMS clerk and secretary. In addition, we had four internal moves, two new SLE aides, and three grade-level changes. We currently have openings for a receptionist and a PE position.
- Data Updates -
 - Felty Elementary's 2025–2026 unit assessment data, along with our Middle of Year (MOY) MAP review, continues to guide our instructional adjustments and targeted support for students. We have analyzed MOY MAP results to refine our STAAR action plan and ensure alignment to priority standards moving forward. In addition, we are closely monitoring our HB 1416/4545 tutoring requirements beginning November with 1,584 hours remaining, decreasing to 764 hours, and now down to just 217 hours remaining reflecting steady progress toward meeting state-mandated intervention goals.

We are intentionally creating opportunities to connect with families and celebrate our donors at campus rallies. Recently, we have expanded these efforts with the revamp of Dads at the Door, our Valentine's Dance, Donuts with Grown Ups, FBC Serve Day, Wilemon Serve Day, and recognizing volunteers during our Choose Love Rally all reinforcing our commitment to building meaningful partnerships and a strong, united Felty community.
