Dear Tangipahoa Parish Families,

We are committed to providing every student with an environment that fosters growth and academic success. In accordance with [Louisiana law](#), we are pleased to announce the opening of the **Public School Choice Transfer** window, which will be from March 1st - March 28, 2026.

This program allows parents or legal guardians to request enrollment for their child in a public school outside of their assigned attendance zone, provided specific eligibility criteria are met.

**Who is eligible to apply?** You may request a transfer if both of the following conditions are met:

1. **Current School Performance:** Your child's current or most recent public school (or the school they are zoned for) received a performance grade of **"D" or "F"** for the most recent school year.
2. **Requested School Performance:** The school you are requesting received a performance grade of **"A," "B," or "C"** and has available space in your child's grade level.

#### **Important Considerations:**

- **No Guarantee:** Please note that approval for a school choice request is not guaranteed.
- **Potential Denials:** Requests may be denied if the transfer violates state or federal law or conflicts with an existing court order involving the student.

**How to Apply:** If your student meets the criteria above, you may submit your request via our online application portal. By completing the form, you confirm that you understand the requirements and that your child meets the eligibility criteria.
