

Getting Ready for Kindergarten Literacy Nights

for

Incoming Kindergarten Parents/Guardians & Students

Are you a parent or guardian of a child entering kindergarten in the 2026–2027 school year?

If so, these workshops have been created especially with you *and your child* in mind! By attending these Kindergarten Literacy Nights, students will have the opportunity to become familiar with the school building, meet staff members, and experience what a typical kindergarten environment feels like.

Parents, family members, and students will also learn valuable information about kindergarten expectations, routines, and early literacy skills—all designed to support a smooth, confident transition into a kindergarten classroom. Families are encouraged to attend both sessions at their child’s school.
