October Baby Bottle Campaign

Thanks to the generosity of many parishioners, the October Baby Bottle Campaign raised approximately **\$5,624.00** in cash, checks, and online donations to help raise funds for Shady Grove Pregnancy Center. The coins collected—estimated to total several hundred dollars more—will be counted by volunteers from the Shady Grove Pregnancy Center.

Many thanks to all who distributed baby bottles after each Mass and to the ushers who collected the bottles during the offertory. Your support made this effort a success.

November 1: 40 Days for Life – Chevy Chase (Fall Campaign)

At least eight parishioners joined **Fr. Danny** for a one-hour peaceful prayer vigil in Chevy Chase outside the Barlow Building, where third-trimester abortions are performed in Suite 1300 (Care Reproductive Health, LLC).

Serving as a strong public witness to the sanctity of life, the group prayed the **Rosary of Life**, the **Divine Mercy Chaplet**, and—since it was All Saints Day—the **Litany of the Saints**.
