# Engagement With Law Enforcement Inquiries at a Bus Stop

In the event that law enforcement wants to speak with or inquire about a student on our bus at a bus stop or anywhere we are managing our bus services we will complete the following.

**Driver:**

- Per safety practices, discussions at driver's window when possible
- Ask to provide I.D. and Collect:
  - Full Name
  - Department / Agency
  - Badge Number / I.D. Number
- Ask for reason for the inquire
- Report all information to dispatch
- Driver will inform that management is on the way
- While management is on the way, continue to cooperate with law enforcement

**Management and Dispatch:**

- Dispatch and Management will reach out to local authorities to verify officer engagement
- Coordinate with school district and connect them with the authorities
- Management will respond to scene
- Document all activities
- Management with school district personnel will work with authorities and support following all laws and regulations
- Ensure appropriate Flash and Incident Alerts are created
