

TRANSITION ROADMAP:

6th-12th Grade Progression

Let's
START

6th

CAREER AWARENESS

Students explore different jobs and begin identifying general interests and strengths

7th

CAREER INTEREST CATEGORIES

Students complete interest inventories (such as RIASEC) to connect preferences to career areas.

8th

Career Clusters & High School Planning

Students explore career clusters and begin understanding endorsements and high school pathways.

10th

CAREER RESEARCH & FOCUS

Students research specific careers and begin narrowing postsecondary goals.

9th

HIGH SCHOOL READINESS

Students learn about graduation requirements, credits, attendance, and how learning style impacts success.

11th

Adult Services & Workforce Preparation

Students explore Texas Workforce Commission, job readiness skills, and postsecondary applications.

12th

Graduation & Transition to Adult Life

Students finalize postsecondary plans, complete applications, connect with agencies if needed, and prepare for graduation.
