

February 2026 Title I Parent Newsletter

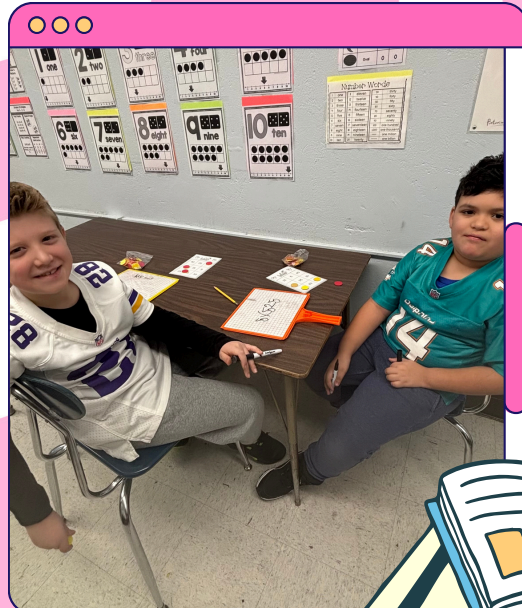

Henry E. Harris Community School

Thanks to everyone who joined our "Winter Writing Wizards" workshop. Students had a blast exploring new writing skills and sharing their creative ideas. We can't wait to keep the momentum going at our third workshop, "DominKnows," on March 11th. See you there!

Mary J. Donohoe Community School

Math time was full of smiles and excitement at Mary J. Donohoe Community School. Students had a wonderful time practicing their multiplication skills through a fun and interactive game of Winter Multiplication Bingo!

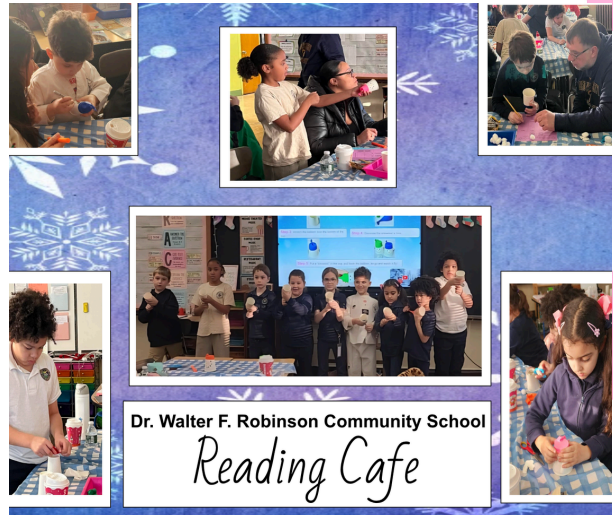

February Newsletter

Walter F. Robinson Community School

Robinson students visited a "Reading Cafe" where they created Snowman Snowball Launchers and enjoyed some good reads, while they sipped hot chocolate!

Philip G. Vroom School!

Love is in the air at Philip G. Vroom School! Our third graders are sharpening their writing skills while exploring the qualities that make someone a good friend.

As we wrap up a month filled with learning and heart, we want to thank you for being such an essential part of our school community. Whether it's multiplication bingo or creative writing, your support at home makes all the difference. Thank you!
