## Monthly Message from Principal Charon

Happy Friday, families!

As we flip the calendar from February to March, it's wonderful to see the sun staying out a bit longer and the hints of spring in the air! This transition marks the start of March is Reading Month, a time when we celebrate our love for books and dive into new adventures through literature.

Beyond the library shelves, our students are making incredible strides both academically and socially. Whether they are mastering new concepts in the classroom or building stronger friendships on the playground, it's a joy to watch them grow. Let's keep that momentum going as we head into a month filled with fun!

As the seasons shift, so does our learning! Mrs. Pohlson is helping students bridge the gap between indoor discovery and outdoor exploration, fostering a deeper connection with the world around them.
