

Speech & Language News

From February

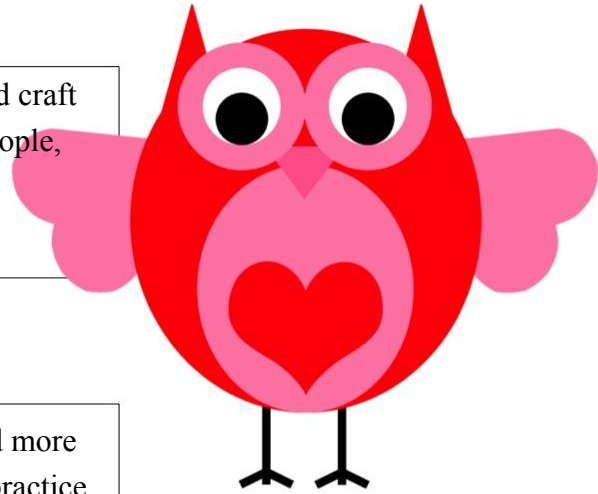

Learning Themes

This month, we've been learning a lot about Valentine's Day! February is a perfect time of year to learn about being kind, giving compliments, and being a good friend! We've also been talking about cards, candy, and flowers!

Activity Idea

Make cards together! Lay out different papers, stickers, and craft materials. You can decorate different cards for different people, and even write nice notes in them!

This provides great practice in thinking of others.

Language at Home

Throughout February, emphasize pronouns, pronouns, and more pronouns!! This is a great month because there is tons of practice when preparing and receiving cards! Use words like he, she, him, and her. Talk about your child's friends and their interests!

◇ "This one is for Josh. Can you write his name?." ◇

◇ "She gave you a purple card!." ◇

◇ "Let's give this card to her." ◇

◇ "He loves candy." ◇
