

CCL Main Unit Placement Consideration Information

All the main units at the CCL are centered on real-world problem-solving and integrate multiple subject areas. Students are assigned to a main unit each semester in grades 3-5. When requested, the placement team will consider **ONE** of three areas for parent/student input:

- placement that matches a student's passion area
- placement with a particular type of teacher
- placement with a friend

If you would like the placement committee to consider one of these areas, please complete the **CCL Main Unit Placement Consideration** form on the next page. On the form, you will be asked to select the area that is of **MOST** importance to you and/or your child and complete the information requested.

Please email the completed form to **Dr. Katherine Bryda**, Assistant Principal of the CCL, at brydakatherine@rsdmo.org. Semester 1 forms received after August 1st will be considered for the spring semester. Semester 2 forms received after January 1st will be considered for the following fall.

CCL Main Unit Placement Consideration

If you would like us to consider ONE of the placement areas for your child, please complete the information requested below. Please select the area that is MOST important to you and/or your child. The completed form can be emailed to **Dr. Katherine Bryda** at brydakatherine@rsdmo.org. Semester 1 forms received after August 1st will be considered for the spring semester. Semester 2 forms received after January 1st will be considered for the following fall.
