AS FLU AND SICK SEASON HITS HARD, REMEMBER ESP HAS A FLEX DAY POLICY!

ESP will offer all families, regardless of their enrollment option, five (5) flex days, each semester, to use for any absence that they wish to receive credit for. Flex day credit will be added back to your ESP account for future tuition charges.

Once all five (5) flex days have been used, no credit will be given back for any additional days absent, with the exception of bereavement. Flex days can be used for any absence including vacation, illness, doctor's appointments, family visiting, etc. However, flex days cannot be used towards absences related to suspension or expulsion.

Submitting flex day(s) must be done through the Flex Day Submission Form by the Primary Account Holder and the email used to submit must match the email on file in EZChildTrack. Requests must be submitted no later than one (1) week after the absence has occurred. Flex day credit can be applied back to the ESP account once the absence has been confirmed.
