Challenge Charter School Week of: March 2nd

Core Knowledge is #1! We get it done with fun! Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

Here's what we'll be learning next week...

Math: Caacity

Estimate and measure liquid capacity in cups, pints, quarts, gallons, and liters.

Know that

1 quart = 2 pints;
1 gallon = 4 quarts.

Compare U.S. and metric liquid volumes: quart and liter (one liter is a little more than one quart).

We will also continue multiplying single digit numbers by double digit numbers and practice division algorithms and strategies.

Social Studies: Ancient Rome

Our Rome studies will focus on the geography of the Roman lands.

Vocabulary includes:

Peninsula

Straight

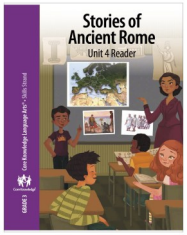

Mountain Range

We will learn more about Caesar Augustus

We will learn the phrase: *All roads lead to Rome*

ELA

Reading: Stories of Ancient Rome

Text Structure: Compare and Contrast

Grammar: Sentence Types / Metaphor and Simile

Writing: Writing Descriptive Essays, Using transition phrases.

Sayings & Phrases
