Every Student, Every Day!

Welcome back to our wonderful students and staff! We hope everyone had a relaxing February break and that you are all recharged and ready to hit the ground running. It's hard to believe we have roughly 3 and half months left of our school year. We are so proud of all the hard work everyone has done so far, and cant wait to see what the rest of the year has in store for us! Here you will find some great pictures of our visit from author/illustrator, Jason Chin, our Spelling Bee, and spirit week!

Author Visit

Caldecott medalist Jason Chin is the author and illustrator of many acclaimed books, including Grand Canyon, Redwoods and Your Place in the Universe. He graciously came to RIS and did a wonderful presentation, sharing some of his incredible creativity with us! Thank you, Mr. Chin!

2026 Spelling Bee!

On February 4th, we held our annual Spelling Bee. The students did a great job showing their hard work and bravery as they spelled many challenging words. We are proud of everyone who participated and showed such great effort and sportsmanship. It was a fun and exciting event for our whole school community. Congratulations to our winner from Mrs. Taylor's 6th grade class!
