Student Snacks

As a reminder, we ask families to please send an extra snack with their student when possible. As students get older, we encourage them to take responsibility for bringing what they need for the day. While we are always happy to support students in true emergencies, many daily snack requests are not related to food insecurity. Sending an extra snack from home helps minimize classroom disruptions and ensures students stay focused and ready to learn. Thank you for your support and partnership!

Teams will be formed at all grade levels, and meetings will be held **during lunch** so participation is easy and accessible. Students should bring their lunch, discuss books, and exchange copies weekly.

- **7th & 8th Grade** – B Lunch on Thursdays (starting 10/9) with Ms. Adams in the library

Free & Reduced Benefits

We are grateful that all students have access to free breakfast and lunch each day at school. Even though breakfast and lunch is now free, it is still very important that all our families complete the Free & Reduced Price School Meal application, as it waives and reduces fees (including athletics/activities and school technology fees) district-wide for many families, can impact transportation for some families, can provide schools with more resources and could possibly increase funding for schools.

This application can be completed online through our parent portal on [Infinite Campus](#). Our community liaison is also available to meet with families and help them fill out the application. If you would like to schedule a time to get help with the application, please contact our community liaison Lily Lujan (ana.lujancastillo@bvdsd.org or 720-561-4567).
