

Dear Incoming 6th Grade Students and Families,

The staff at Park Place Middle School are extremely excited to welcome you to our middle school next year! Your 5th grade teachers have shared what a wonderful class of students you are and we are excited to be able to work with you over the next three years.

Park Place School counselors will be visiting your school to help enter your elective class preference for the 2026-27 school year online. We will use the information you provide to build our schedule of elective classes. Please understand that you are "requesting" a course and we will do everything possible to honor your request. There is always the possibility that we may need to place you into an alternative elective choice due to scheduling restraints. For this reason, we will ask that you rank the three elective course choices. This will ensure we can provide you with the best possible course placement. Please note that some students may receive a support class (i.e. title reading/math, MLL, LAP etc) as an alternative to the elective requested.

We look forward to seeing you all at our Parent Information Night on March 12th at 6:00pm.

To be ready for our classroom visits, please complete this form and **return it to your 5th grade teacher by March 13th.**
