The Lincoln Academy School Accountability Committee has launched this year's family survey. The link will be active until **10pm TONIGHT!** It takes less than 20 minutes! Upon completion, you will be redirected to a raffle for a \$50 gift card donated by our amazing PTO and a homework pass to be used once for each of your students. The homeroom with the most participation will win a prize of their choice! Your feedback is important and helps guide decisions that improve our school community, programs, and student success. Every response matters- thank you for sharing your voice! Please use the following link: <https://www.surveymonkey.com/r/227FRCK>

Infinite Campus

Second trimester report cards for students in 2nd-8th grade are now available on your Infinite Campus Parent Portal account. Hard copies of these reports will come home Monday, March 2 for students in grades 1-4. Just a reminder, Kindergarten is on semester terms and will get their final report card at the end of the year.

As we experienced this Wednesday with the power outages, having correct contact information for parents, guardians and emergency contacts is vitally important. Now is a great time to review your student's **Family** and **Emergency Contacts** in Infinite Campus (go to More, then Family Information and Demographics). The emergency contacts are who we call in the event we are unable to reach parents/guardians. They are also the people authorized to pick up your student at the end of the day. Please see this [Jeffco Help article](#) on how to review and update, if needed, your Emergency Contacts. Any changes will not automatically be visible; the update takes a few days.

If you had any difficulty with receiving the emergency communication that was sent out on Wednesday via phone and email, please reach out to the front office to help trouble shoot those communication issues.
