Sports Schedules are posted [here](#).

The end of the year is fast approaching and AHS has been buzzing with lots of activity. I want to take a moment to shout out our students that have been so focused and busy with their classes. Our equity coordinator, Sean Foster, has made some great connections and brought a much-needed perspective and energy to AHS, and our staff that has been working so hard. Now that we are (just about) in March, time will fly by and our students can easily lose focus in the midst of the excitement and stress. This is an exciting time, we have prom coming and other senior events, we also have CAASPP and ELPAC testing, final exams and graduation, just to name a few things. This can be a perfect storm and our kids may need a little extra TLC. Remind and encourage your student(s) to stay focused, **come to school everyday, attend class on time** (especially juniors and seniors as too many tardies = no prom), and seek help when they are feeling stuck. Don't forget about a little self-care families, – you deserve it!

We are almost there! Go Hornets!

➤ **College & Career – Scholarships**

➤ **(Exclusion List) Attendance and Senior Events**

Our last attendance period has started and goes until May 16th. Please know that this is a very important attendance window for our seniors (and juniors). **Too many tardies (over 24) and the student is placed on the exclusion list and not eligible for senior events, this includes prom.** In order to support this, we have increased notification of tardies. Please remind your seniors and juniors to be mindful of their tardies and attendance. Please see the attendance policy in its entirety below:

ATTENDANCE POLICIES

Excused and Unexcused Absences:

Excused Absences: Excused absences can be verified by a parent calling the attendance office or sending a note which includes the student's name, AHS ID#, reason for absence, date and time of absence, and the signature of the parent. When a student has an excused absence they are not allowed to be on campus or in the media center.

- CA Education Code states that any absence beyond 14 absences will be considered an unexcused absence unless a doctor's note is submitted for that absence. Each absence beyond the 14th day requires its own doctor's note.
- Students who are truant, with excessive unexcused absences in any of their classes may be denied participation in extracurricular events, including sports and senior privileges.

Chronic absenteeism, is when a student has more than 14 excused absences and may be factored in when considering the attendance percentages to participate in extracurricular activities, including athletics and proms.

- Unexcused Absences: When a student has an unexcused absence from school, the parents will be notified via email, text or phone depending on your preferences in our communications system. In addition, unexcused absences may lead to discipline by both the school and the district. These disciplines can include detentions and/or truancy letters and exclusion from school activities.
- Clearing Absences: All absences must be cleared within three (3) days of a student returning to school by the parent. This can be done either by telephone, sending a

note, or emailing the Attendance Office. The Attendance Office is open between the hours of 8:00 a.m. and 4:00 p.m. Students will only be assisted in the Attendance Office for an absence clearing purpose in the morning from 8:00 a.m. to 9:00 a.m. during break time, and lunchtime. Teachers are not to send any student out of class during class time to the Attendance Office to clear any absence.

Truancy:

A student is considered *truant* if they are absent three class periods without a valid excuse in one school year, and/or are tardy for more than 30- minutes at the beginning of the period, or any combination thereof. Once your student reaches any combination of 3 missing class periods or 30 minute tardies, the district office / attendance will generate a truancy letter that will be sent home to the parent/guardian. After multiple truancy letters, a truant student may be subject to prosecution and/or suspension/revocation of his/her driving privilege (Vehicle Code 13202.7). Moreover, a truant student is also subject to suspension/revocation of any work permit acquired at the high school.

If you have any attendance concerns, please call or email our attendance staff, according to your student's last name.

- If your student's Last Name begins with the letter A - L, please call Ms. Derieg at 1-510-337-7022, extension 22757, or email: pderieg@alamedaunified.org.
- If your student's Last Name begins with the letter M - Z, please call Ms. Rosenthal at 1-510-337-7022, extension 22756, or email: croenthal@alamedaunified.org.

Absence, Tardies, and the Exclusion List:

Attendance and tardies are both calculated following Chronic Absenteeism and Truancy policies as outlined by the CA Department of Education. For a student to be able to participate in extracurricular activities such as athletic teams, dances, plays, etc., they must stay under 10% attendance issues. We are monitoring three "Attendance Periods"-Fall, Winter and Spring:

- In order to be eligible for extracurricular activities, including sports teams, plays, and all dances, including Junior/Senior Prom, Senior Banquet and Senior Picnic, a student must not exceed 24 tardies during the Fall, Winter or Spring season.

****For students who play sports on our Extracurricular Athletic Teams: Please be aware that excessive period absences may result in a loss of privileges for the season as well as tardies.**

FALL Attendance Period-August 11, 2025-November 2, 2025 (12 weeks):

No Student Can Exceed 24 Tardies between 08/11/2025 - 11/2/2025.

- If a student has been tardy 10% or has 24 or more tardies in this time-period, they may not be eligible for: Fall sports or the Senior Banquet on November 15, 2025.
- Once a student has 12 tardies, they will be assigned a lunch detention, and parents or guardians may be notified. Parents will be notified again once a student reaches 24 tardies during an Attendance Period.
- If a student has excessive unexcused period absences in any class, between 8/11/25-11/2/25, they will not be eligible to participate in any school related events.

*If a student accrues or misses more than the allowable number of tardies or absences in the current Attendance Period, they will be out of their team, cast, or event for the remainder of the season.

WINTER Attendance Period-November 3, 2025 - February 8, 2026 (11 week):

No Student Can Exceed 24 Tardies between 11/3/2025 - 2/8/2026.

- If a student has been tardy 10% or has 24 or more tardies in this time-period, they may not be eligible for: Winter sports the Fall Play.
- Once a student has 12 tardies, they will be assigned a lunch detention, and parents or guardians may be notified. Parents will be notified again once a student reaches 24 tardies during an Attendance Period.
- If a student has excessive unexcused period absences, between 11/3/2025-2/8/2026, they will not be eligible to participate in any school related events.

*If a student misses more than the allowable number of tardies or absences in the current Attendance Period, they will be removed from their team, cast or event for the remainder of the season.

SPRING Attendance Period-February 9, 2026 - May 16, 2026 (12 weeks):

No Student Can Exceed Thirteen Tardies between 2/9/2026 - 5/16/2026.

- If a student has been tardy 10% or has 24 or more tardies in this time-period, they may not be eligible for: the Spring Play, Spring Sports or the Junior/Senior Prom on May 16, 2026.
- Once a student has 12 tardies, they will be assigned a lunch detention, and parents or guardians may be notified. Parents will be notified again once a student reaches 24 tardies during an Attendance Period.
- If a student has excessive unexcused period absences, between 2/9/2026-5/16/2026, they will not be eligible to participate in any school related events.

*If a student misses more than the allowable number of tardies or absences in the current Attendance Period, they will be removed from their team, cast or event for the remainder of the season.

A student is officially tardy if they enter the classroom after the tardy bell has finished ringing to begin the class period. *If a student drops off their belongings but leaves the classroom and returns after the tardy bell, they will be considered tardy.*

Tuesday/Thursday Lunch Detentions:

If a student receives a detention, for behavior or tardiness, the office will send written notification that they must attend detention in the cafeteria on a Tuesday or Thursday, during the lunch hour. Lunch will be available for students from the cafeteria, and free lunch is available to all students. A campus supervisor or school administrator will monitor detention.

- For all detentions, students must arrive within 5 minutes after the start of the lunch bell rings.

Tardy Detentions:

Students will be assigned lunchtime detention for tardiness once they have accrued 12 tardies as well as at 24 tardies, in the current Attendance Period. The attendance office will run a list of students with unexcused tardies, and all students with 12 tardies, as well as 24 tardies, will serve a Tuesday or Thursday detention. If a student

is on this list, the office will send written notification that they must attend detention in the cafeteria that same day during the lunch hour. Lunch will be available for students from the cafeteria, and free lunch is available to all students. A campus supervisor or school administrator will monitor detention.

Reminders About Tardies and Detentions:

- Teachers may have individual tardy policies and may hold their own detentions and consequences for tardiness to their classes, which can include classroom cleanup duties. Students who are excessively tardy, may be assigned a detention by their teacher or be referred to the office for further discipline at the discretion of the Administration.
- Students exceeding the allotted number of tardies in any of the three Attendance Periods, across their schedule, will be ineligible for extracurricular activities including athletics, school plays, dances and Junior/Senior events.
- Persistent tardiness may result in the student being put on the exclusion list and lose the privilege of participating in the following school sponsored extra-curricular activities, including but not limited to Athletic Teams, Drama, Band, Choir, Leadership (e.g., student body officers and representatives), School Assemblies, Sports Games and Dances (including Winter Ball, Junior Prom, and Senior Ball) for that Season.

The Exclusion List:

The Exclusion List will follow the three “ Fall, Winter and Spring Attendance Periods.” Should a student have unserved detentions in any of the three Attendance Periods, they will be ineligible for all extracurricular activities including athletics, school plays, dances and Junior/Senior events for that season until they are off the Exclusion List.

Truancy:

A student is considered *truant* if they are absent three class periods without a valid excuse in one school year, and/or are tardy for more than 30- minutes at the beginning of the period, or any combination thereof. Once your student reaches any combination of 3 missing class periods or 30 minute tardies, the district office / attendance will generate a truancy letter that will be sent home to the parent/guardian. After multiple truancy letters (a family will receive up to four Truancy letters a year), a truant student may be subject to prosecution and/or suspension/revocation of his/her driving privilege (Vehicle Code 13202.7). Moreover, a truant student is also subject to suspension/revocation of any work permit acquired at the high school. We are aligning our tardy policy with Truancy and Chronic Absenteeism, which outlines that 10% indicates a chronic issue.

Visitors:

All visitors must report to the welcome office before going to any other location on the campus. We do not authorize student visitors on campus. Any and all non-students with no apparent business to be on campus will be asked to leave campus immediately. All non-students without official business are notified that they are trespassing on school grounds. Returning to campus will result in Alameda Police being contacted for removal from campus.

➤ **PTSA**

Are you a member of the PTSA? Joining the PTSA (Parent, Teacher, Student Association) is a powerful way for parents and staff to work together in supporting students' success. When families and educators collaborate, it builds a stronger sense of community and ensures that every child's needs are better understood and met. PTSA membership gives parents and staff a voice in school decisions, access to important resources, and opportunities to plan events, fundraisers, and programs that directly benefit students. By joining, you're showing your commitment to making our school a welcoming, engaging, and thriving environment for all. ***If you would like to join the AHS PTSA, [please click here!](#)***

➤ **CAASPP**

- Every year AUSD administers the California Assessment of Student Performance and Progress (CAASPP). This statewide test helps us determine whether students have acquired skills in math, English language arts and science for specific grade levels. The CAASPP is important because it provides information about the effectiveness of our public education system. The more information we have about the effectiveness of our public education system the more proactive measures we can take to ensure it is benefiting all families and equipping all students to succeed in reaching the standards that will close opportunity gaps. While exam scores are not included on student transcripts, in 11th grade, your student's results can save you money and ensure your student is placed directly into credit-bearing English and math classes and/or exempt students from taking English and math college placement exams at all UC and CSU campuses, as well as all CA community colleges. Districts are also held accountable to participation rates by the state. AUSD teachers and schools support students to do well on the tests and help them learn test-taking skills that will enable them to be successful throughout their school career and beyond.

California Education Code Section 60615 states that parents/guardians may annually submit a written request to the principal of their student's school if they do not wish to have their student take any or all state tests. If a parent or guardian submits an exemption request after testing has begun, any test(s) completed before the request is submitted will be scored and the results reported to the parent or guardian and included in the pupil's records. We encourage parents to contact their child's teacher or principal with any concerns they may have about the test before they request that their student be excluded from taking the test(s).
